San Marcos High School
Santa Barbara, California

1966 CROWN & SCEPTRE

FOREWORD

Look around you. You will see one of the most beautiful and finest communities in the nation. Santa Barbara, California.

Our community is rich in many aspects. Foremost are her natural beauties. Looking around the Santa Barbara area, you will see sparkling waters of the Pacific Ocean breaking on sandy shores, beautiful plantings which enhance the city's appearance, and our foothills which form the foreground to a vast blue sky. Our community, nestled between a scintillating sea and graceful mountains, is beautiful.

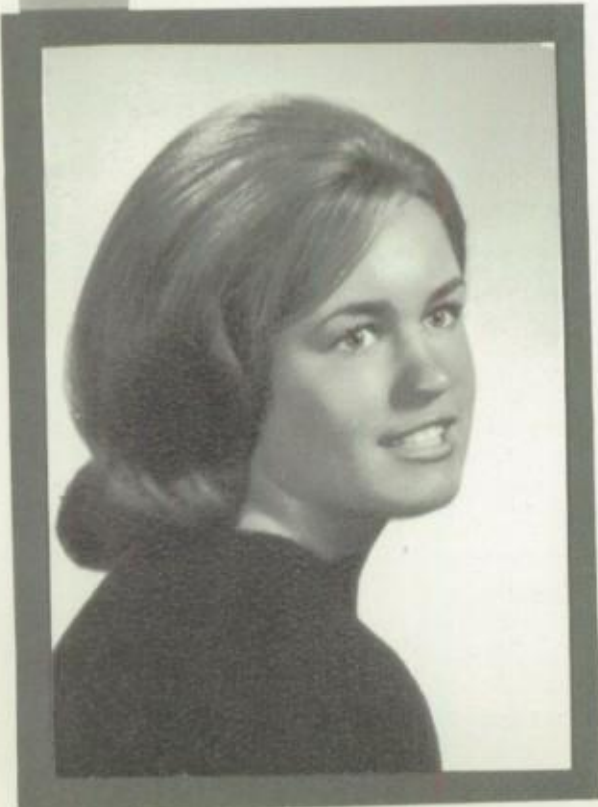

Santa Barbara is also rich in her culture and Spanish heritage. During the full moon of every August, come four days and nights of festivity and gaiety. Santa Barbara's "Old Spanish Days." Looking at the architecture of our fair city, you will find many buildings of the beautiful Spanish style. One desiring culture need not look far, for Santa Barbara offers almost everything from garden clubs and tours to fine operas and symphonies. Santa Barbara is a city of art.

In looking around our community, you will find Santa Barbara more than a beautiful and artistic area. You will notice a functioning city. The government and activities of Santa Barbara are of interest to many of her residents. Our community has something to offer to everyone.

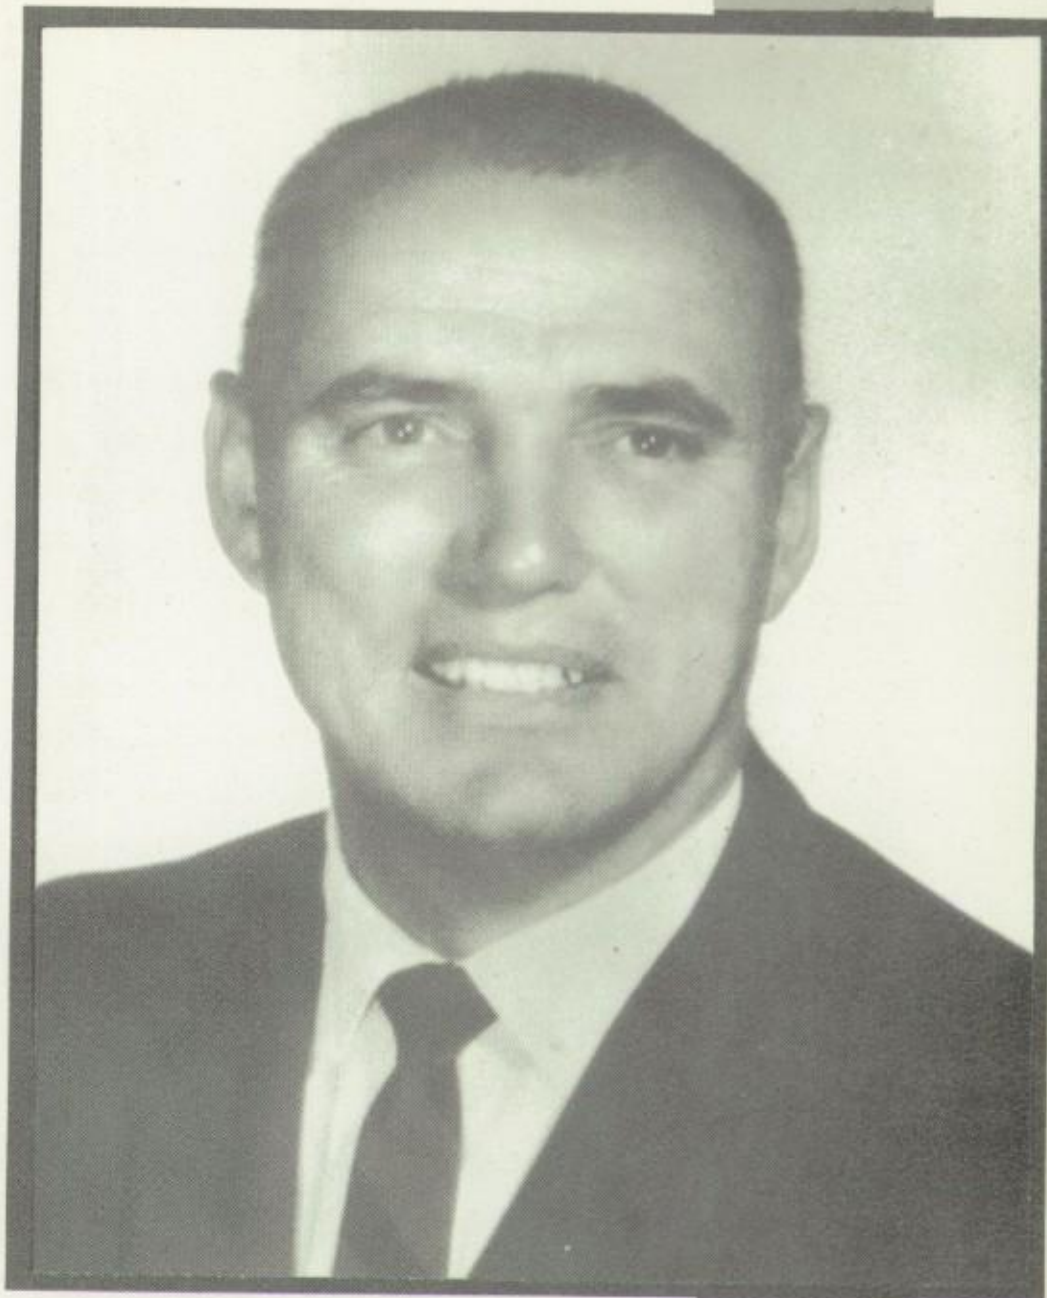

An important part of Santa Barbara is her high school life, which includes the students and their activities. This year, San Marcos has become more a part of the community than ever before. Students working on the Valley Stadium Fund Drive received both the applause and help of many Santa Barbara citizens. Let us never forget Friday night, October 22, and its importance to our role in the community. That was the night city football history was altered, when the mighty San Marcos Royals defeated the Santa Barbara Dons. On that balmy Friday evening, everyone in our town knew who was Number One.

San Marcos, in addition to being a part of Santa Barbara, is a small community. When you look around the campus, you will find beauty, culture, a growing tradition, academic excellence, and something for every Royal. We are the citizens of San Marcos High School. Soon, we will be the citizens of Santa Barbara, California.

Because of the relationship between our campus and community, the staff of the 1966 Crown & Sceptre has chosen a theme centered around the community of Santa Barbara. May the San Marcos High School image grow and glow in our community.

DEDICATION

Mr. John V. Boettner, principal of San Marcos High School, is a person whose friendly smile and cordial greetings are often extended from our campus to our community.

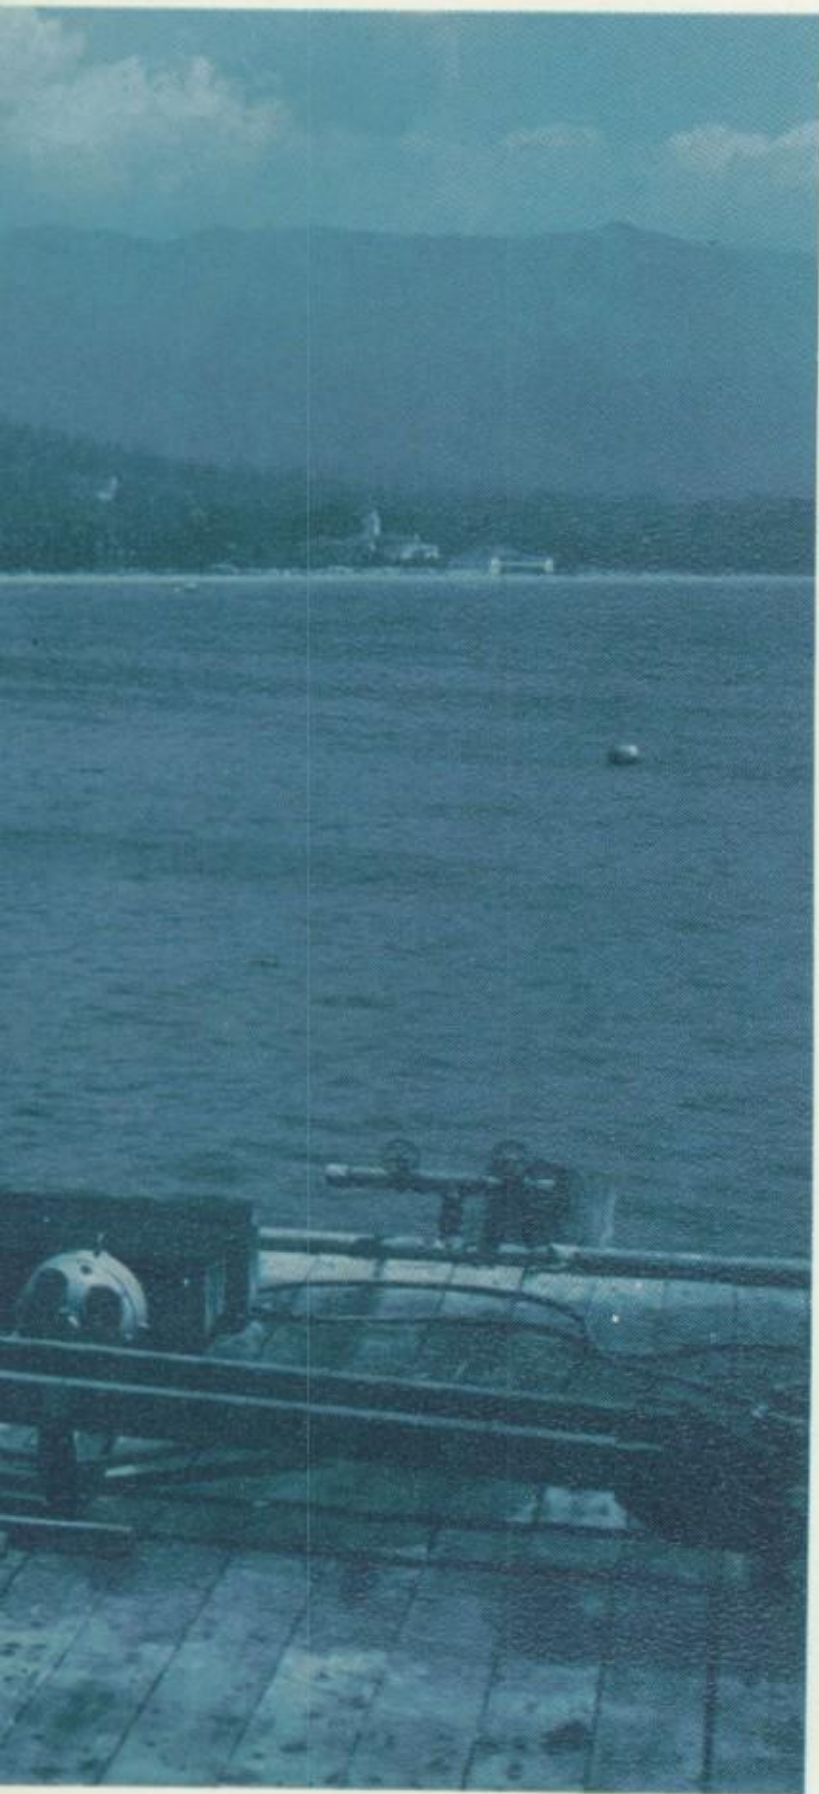

Mr. Boettner has lived in Santa Barbara most of his life, and received his education in local public schools. While attending UCSB, he was affiliated with the Cal Club and the Sigma Alpha Epsilon Fraternity. After serving in the Navy, he attended UCLA, where he earned his Master's Degree.

Mr. Boettner later taught mathematics at La Cumbre Junior High and Santa Barbara High Schools. He was one of the original faculty members at San Marcos, and served as Assistant Principal in charge of Activities. In the fall of 1962, he began his duties as principal.

In addition to his responsibilities on campus, Mr. Boettner is active in the community. He is a member of the Valley Stadium Committee, the California Association of Secondary School Administrators, the PTA Council, the City Teachers' Club, and the discussion group of his church. Mr. Boettner is also a dedicated family man, having a wife, Roseann, and six children, Mary Ann, John, June, Marcia, Danny, and Jay.

Because of his sincere interest in all affairs pertaining to San Marcos, and his continuous service to our school and community, we proudly dedicate this, the 1966 Crown & Sceptre to Mr. John V. Boettner.

I'll see you
 the next time I'll see you
 will be when you walk down the
 aisle dressed in white. And after
 that - Marie Taylor; it seems
 funny to write that name but I'll
 get used to it. at least I know
 where you'll live... to come visit
 you when there are 2 little Taylors
 running around. After 5 years of
 school it's about time it's over.
 Stick in the future and I will see
 you at your 25th + 50th wedding
 anniversaries (if you invite me!)
 Always,
 Denise Beth

BOARD OF EDUCATION

Members of the Board of Education are, left to right: Mrs. Moore, Dr. Sharer, Mr. Brelsford, Mr. Sovine (hidden behind Mr. Jaquemain), Mr. Jaquemain, Mr. Kallman, Mrs. Nadel, Mr. White, and Dr. Woodfin.

SUPERINTENDENTS

Superintendent, Santa Barbara City Schools, Dr. Norman E. Sharer.

Mr. McLaughlin, Assistant Superintendent, Division of Secondary Curriculum.

Mr. White, Assistant Superintendent, Division of Personnel and Special Services.

Dr. Woodfin, Assistant Superintendent, Division of Business and Special Services.

STADIUM COMMITTEE

Dr. Fay and Mr. Boettner at a Stadium Committee meeting, discuss an upcoming project.

Mr. Hendry, Mrs. Hendry, and Mrs. Goodale. Mrs. Hendry served as Corresponding Secretary for the Stadium Committee.

The Stadium Committee was organized last year to plan the construction of the Valley Community Stadium. This stadium will serve both San Marcos and Goleta Valley by providing a place to hold all athletic events of the coming years.

ROYAL BOOSTERS

Appropriate for the new stadium would be a group of people to support the athletic program at San Marcos. There is such a group—The Royal Boosters. This organization works hard to support the athletic events of the school year and deserve recognition for a job well done.

Mr. Hutton, left, and Mr. Halleck, attending a Royal Boosters Club meeting, are explaining a facet of our athletic program to the interested parents.

Royals:

This year of the "extended day" has been rich in achievements. Your Class of 1966 has earned many individual honors and has accomplished a great deal as a group. Tremendous enthusiasm by the sophomores and the keen spirit of the juniors have combined for an all student body year in the best Royal tradition.

Our program of studies continues to grow in excellence. The student government, interscholastic athletics, school productions, and service organizations have had a very successful year. Many of you have learned the values of full participation in your total school life.

Extra cooperation, some special efforts, and especially a large measure of persistence by students and staff has been the theme this year. As each of you reviews your performance and net results, I hope you can say it's been your best effort. Looking ahead, I wish you more of the same.

Thank you, students, staff, parents, and community for all of your efforts this 1965-66.

John O. Boettner

ASSISTANT PRINCIPALS

Proud to be a Royal! Proud of San Marcos traditions and her high quality of scholarship and leadership. Proud of the will to serve school and community. May this be the attitude of every Senior who completed his work at San Marcos this year and may this be the feeling of every Junior and Sophomore who returns. This can only happen when each student has given his best to his school and his community. May this be the case in 1965-66.

J. Clayton Clark

Mr. Clark, Activities

Mr. Priester, Girls Discipline

What a "Royal-Year!" A bustling crowd of 2330, the largest yet at San Marcos, has had another fine year. From the victory over the Dons—that memorable night of October 22, 1965—to those who earned such fine laurels with academic accomplishments, our school continues to grow stature and promise. It behooves all of you to "dig deeper" for knowledge. Prepare yourselves for the "Soaring 70's" and the "Exciting 80's" when you Royals of today will be the citizens of tomorrow. My sincere best to all of you.

Frank N. Priester

Returning to San Marcos after a five year assignment at City College has given me the opportunity to witness a great many changes and a good deal of growth on this campus. It has been a real pleasure to work with and for you this year; specifically in the area of Boys' Assistant Principal, advising the Social Committee, and working with the club program.

My best wishes to you who are graduating as well as to those of you who will continue your education either here at San Marcos or with me at Dos Pueblos.

Carl M. Hentschke

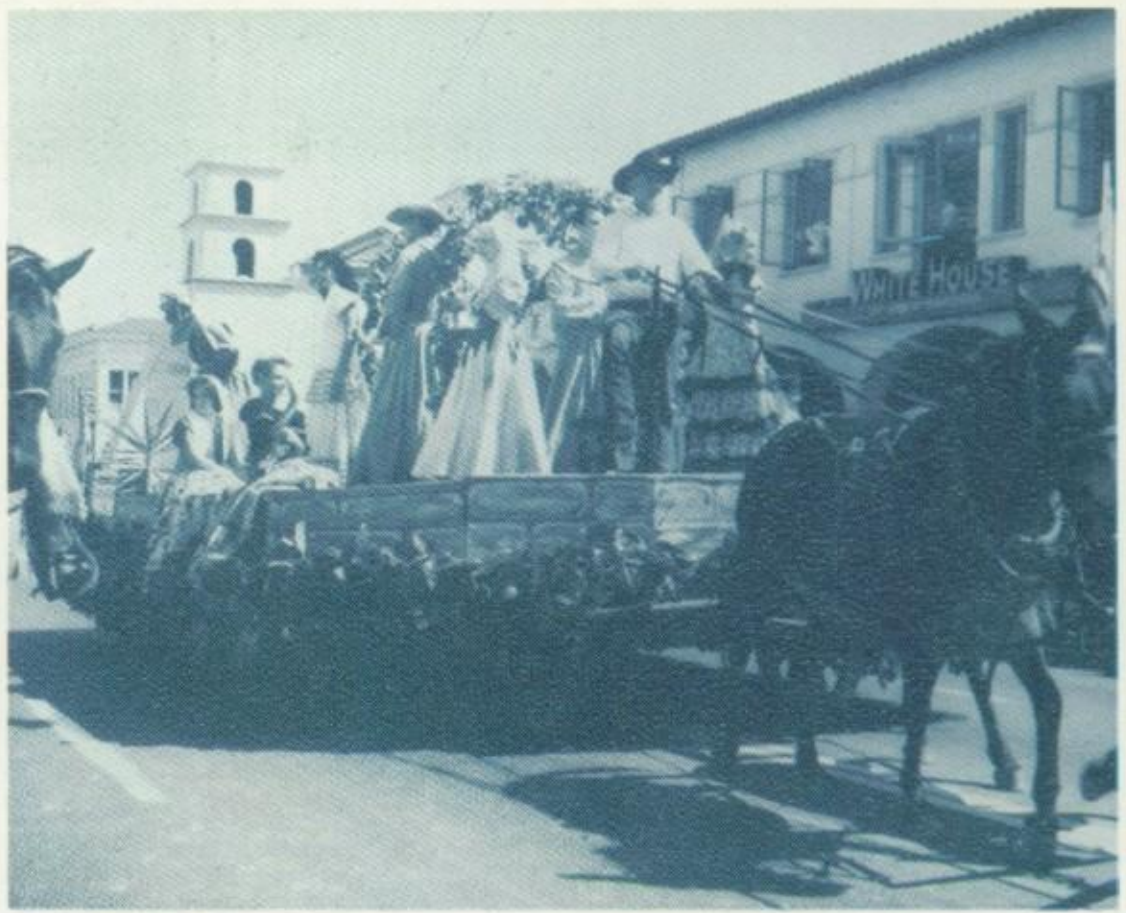

Mr. Hentschke, Boys Discipline

THE SPANISH HERITAGE of Santa Barbara

The Santa Barbara County Courthouse, in addition to serving as a center for many activities, is an excellent example of the Spanish style of architecture typical of our community.

The "Old Spanish Days" Fiesta Parade is an event which attracts citizens and visitors of all ages. Above, is a typical float in "El Desfile Historico."

San Marcos alumna Barbara McCoy, dressed as a Senorita, was one of the many entries in the Fiesta parade on horseback.

Custodians: W. LaGruau, J. Lajda, O. Gay, D. Laviorin, B. Taylor, R. Taylor, F. Cubr, J. Luera, and L. Gay.

Without the services of the custodial, cafeteria, gardening, and secretarial staffs, San Marcos high school would not be the beautiful and efficient campus it is. With as large a Royal student body as is present, these individuals are to be commended for their outstanding school services.

OUTSTANDING

DANIEL EVERETT MILLER has been chosen by the Class of 1966 as the Outstanding Boy.

Danny, as he is known to the Royals, was born in Rio Piedras, Puerto Rico. His sophomore year was his first in Santa Barbara.

Danny has been actively interested in many student affairs, especially sports. He participated in Cross Country, Bee Basketball, and Track. Danny lettered and, as a member of the San Marcos track team, went to the C.I.F. semi-finals in the Bee 600. He set a school record in the broad jump.

Danny is also a student leader, attended ASL Conferences, was a member of the Key Club, and served as ASB Treasurer. He is an excellent student, and was awarded the coveted distinction of being a Junior Honor Guard at graduation last spring.

One of Danny's favorite outside activities was Young Life Club. In addition to being an active member, he served as Vice President.

Danny is well-known for his outstanding personality and humor. His ambition in life is to be a surgeon in some distant country, helping others.

When asked what his most thrilling experience at San Marcos was, Danny promptly replied, "Going to the Homecoming Dance with Queen Sharyl Parker."

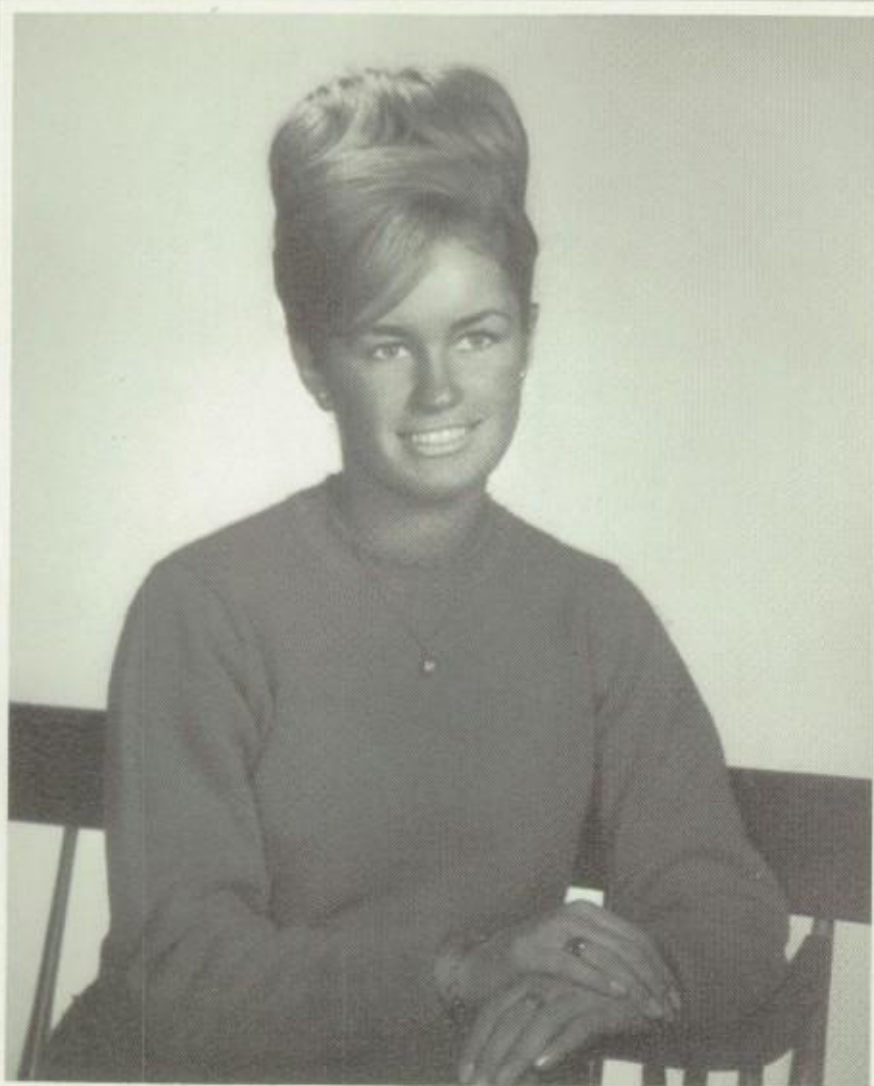

Danny Miller has contributed much to San Marcos and, because of his active participation in student affairs, we can appropriately say, "Hats off to you—Dan the Man!"

Kris

MISS KRISTIN ANN SMITH has been chosen by the Class of 1966 to represent the Seniors as the Outstanding Girl.

Kris, as she is known at San Marcos, was born in Toledo, Ohio, and lived in Pasadena before moving to Santa Barbara in 1959.

The past three years have seen Kris an active Royal. She worked on the yearbook and served as editor, participated in several ASB committees, the Usherettes, ASL, and was Corresponding Secretary of her Junior Class. She received the Rotary Service Award last June, and the Optimist Achievement Award in November.

In addition to being active in school activities, Kris has served as a Candy Striper at Cottage Hospital, and wrote the "Royal Report" column for Goleta Gazette. She leads an active social life, enjoys painting, and spends leisurely days on the beach. Kris also enjoys water sports and snow skiing and, when at home, spends her time listening to records, reading, sewing or knitting, and keeping up her scrapbook.

Kris has enjoyed her high school years to the fullest extent and describes her most memorable event at San Marcos as the evening the Royals beat the Dons of SBHS.

After graduation, Kris plans to attend college. When asked about her high school days, Kris happily answered, "These three years have been my greatest. I will always cherish the many friends I have made and other memorable moments of my high school career as a San Marcos Royal."

Our Senior Year is over, Class of 1966. It has been a wonderful year. Our class is the greatest, and the largest in San Marcos' history.

Our magazine sales were successful. Total profits were almost \$6100, higher than any class before us.

Our Christmas tree, complete with decorating party and candy canes, graced the Senior Lawn the week before vacation.

Our formal Senior Prom in May took the place of an all night party. Everything from gowns, beautiful girls, handsome boys, food, laughter, music, and enjoyment, to the beautiful setting, was perfect.

We are the first class to graduate on Wednesday and to have Disneyland as our final class activity.

This year has been wonderful, class, because of all of you—your help and your support. Thank you, everyone.

See you at the Reunion:

Tim, Bonnie, Julie, Carol, Chris

SPLASHING THRU THE 20's

"Splashing Thru the 20's" was presented May 20 and 21 in the San Marcos High School pool by the GAA. Mrs. Sue Kirkpatrick of the PE Department directed the show and did an outstanding substitution. The tremendous success of the show may be attributed to chairmen Fran Hehnke and Cindy Taylor.

THE IMPORTANCE OF BEING EARNEST

GARY GRUBB

1966 MARDI GRAS KING

The crowning of Mardi Gras King, Gary Grubb, by Girls' League President Judy Smith, closed weeks of fierce penny-per-vote competition. The Mardi Gras was enjoyed by all, and will be greatly anticipated in years to come.

MARDI GRAS

The 1966 Mardi Gras will long be remembered by the student body. The cafeteria was filled to capacity with guests, students, and alumni. Highlighting the evening were the sounds of the Stephen Stomes, fortune tellers, sidewalk artists, and a "lovely" can-can line.

SPRING SPORTS DANCE

The Spring Sports Dance was another success this year. The climax of the evening came with the crowning of one candidate representing a spring sport at San Marcos. Crowned with a garland of flowers was Miss Carolyn Yorty, representing the sport of baseball.

MISS CAROLYN YORTY 1966 SPRING SPORTS QUEEN

Good music, and lots of fun and excitement were the products of the Spring Sports Dance. It was a great ending to a fine season for our spring athletes.

BASEBALL

This year's baseball team came through with 12-9 season and 9-6 league records. After a poor start in which they lost 6 of their first 8 games and 4 out of 5 league games, the baseball team came surging back to win 10 of their last 12 games and 7 in succession. The season's turning point for the horseriders was the Santa Maria Tournament in which they won the consolation prize. By winning its last 7 games, the team took a second place in league and C.I.F. berth. Pitcher Walt Rehm was named the team's most valuable player and Dave Hjorth was the team's Captain. Steve Moore led the Royal batsmen with a fine .378 average.

TRACK

One of the outstanding members of the 1966 track team was Gary Shelly. Gary set a new record for the high jump at 5'9 $\frac{3}{4}$ " and also for the broad jump at 20'3 $\frac{1}{2}$ ". He now holds the record for total points earned by one man in a year, 124 $\frac{1}{2}$. (The record was previously held by John Rivera.) Shelly went all the way to the C.I.F. finals and placed second.

Mike Swander set a new record for pole vault at 13'6". Chuck Blanchard also set a new record for total points earned by a "B", 95 $\frac{3}{4}$.

During the course of the season, the varsity won 4 meets and dropped 7. The "B's" and "C's" had identical records of 7 wins, 3 losses, and 1 tie. Congratulations to David Mead, the 1966 track team, and all supporters for another fine season!

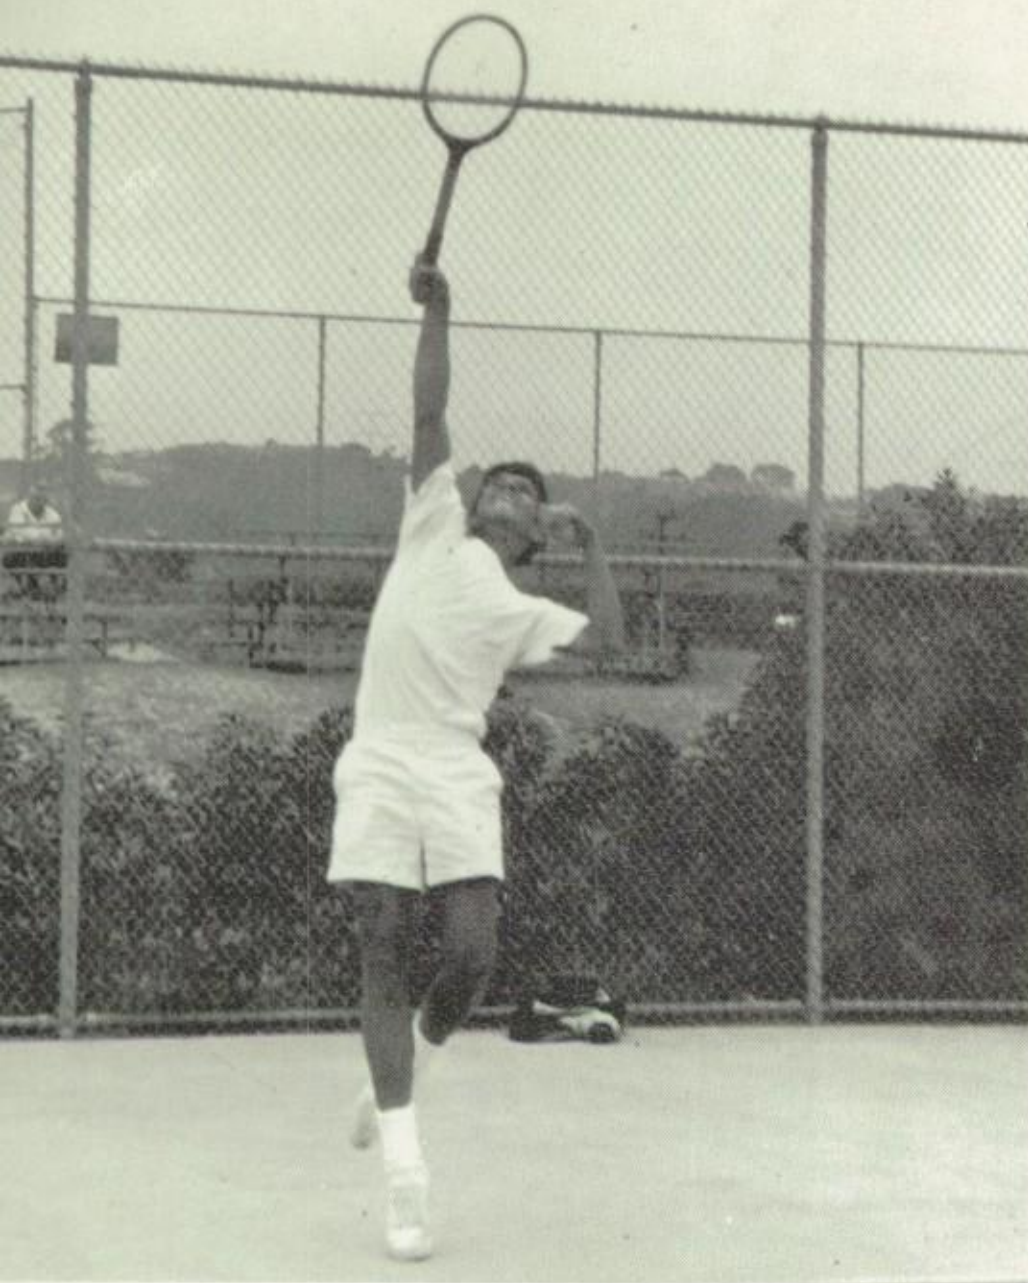

GIRL'S VOLLEYBALL

Varsity: Row 1: Carol Avery, unknown. Row 2: Miss Jan Fritzen, Adie Schmidt, Gwen Graham, Becky Rodriguez, Jill Smith.

Junior Varsity: Row 1: Shelley Noel, Georgie Selover, Rene Layson. Row 2: Miss Jan Fritzen, Kim Pierson, Hilary Smith, Pat Lierly, Sally Curran.

TENNIS

Under the fine coaching of Roger Dawson, the San Marcos tennis squad wound up the season with an excellent 15-5 win-loss record, (13-2 in Channel League), not to mention the Channel League tennis crown.

Larry Morez ended up second in Individuals in all-league Champ play. He was also voted the team's Most Valuable Player.

Doug Vernon and Dick Guthrie came in first in doubles matches. Vernon was voted 1966 team captain, and Guthrie was given 1967 team captain honors.

SWIMMING

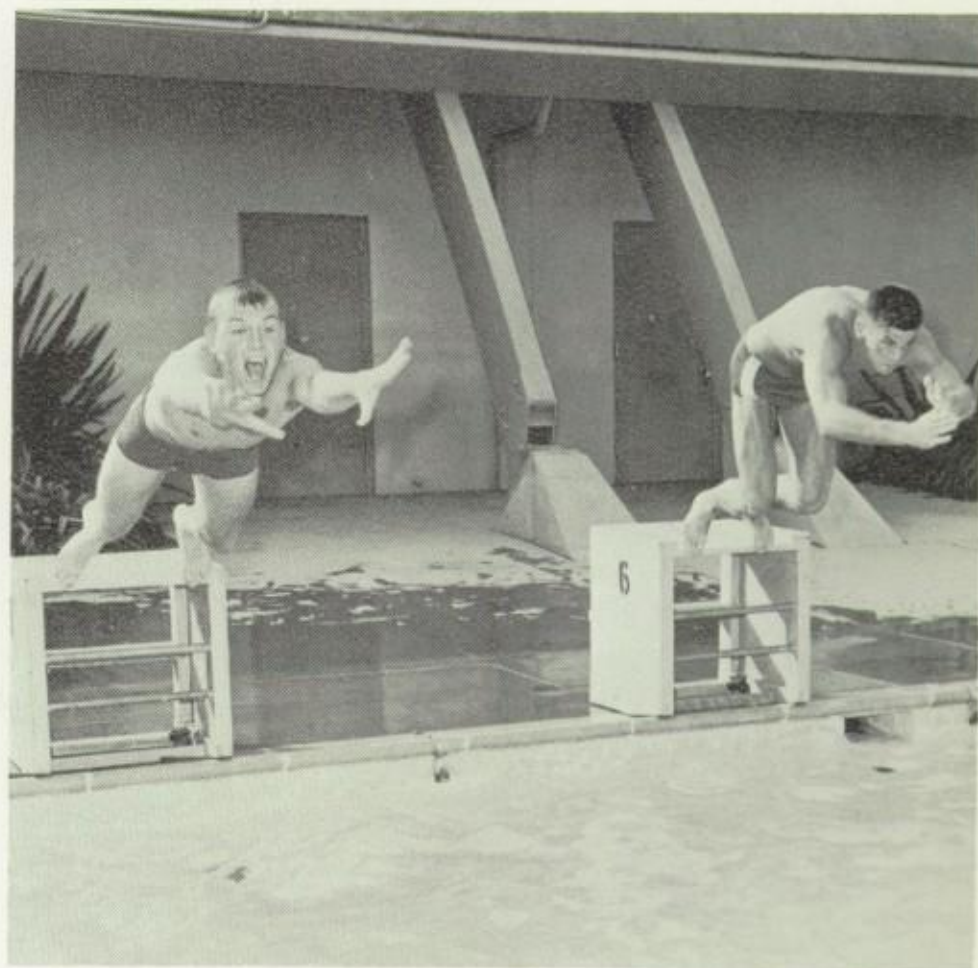

They said that it couldn't be done, but they did it. Every single San Marcos Varsity swim team record was broken this year!

Under the fine direction of John Prebish, the team broke at least three records every meet. In their first meet, seven school records were shattered. In two different meets, seven records were broken in each.

Outstanding performers were: Tori Goux who took first in the Channel League "B" 100 backstroke; Bill Mahneke, first in the "C" 100 Individual Medley and first in the "C" butterfly; and Wayne Forte who took first in the "C" backstroke event. All were new Channel League records.

Bill Mahneke was voted by the swim team members Most Valuable, and Tori Goux and Bruce Smith tied for Most Improved.

This year's swim team deserves a great deal of credit and recognition. Their fine success can be attributed to the hard work of all the swim team members, as a team, and to the excellent coaching of Coach Prebish.

MISS CINDA LEWIS

Easter Vacation, 1966, was a thrilling week for San Marcos junior Cinda Lewis. Cinda was one of many high school girls entered in the fifth annual Teen Age Fair Beauty Pageant. Judging was based upon natural beauty, poise, scholastic accomplishments, ability to communicate ideas, and services performed to civic or other charitable organizations.

At the pageant, Cinda was awarded the titles of Miss Teen Western States, Miss Teen USA, and Second Runner-up Miss Teen International.

Cinda serves as a Candy Striper at Cottage Hospital, and will lead yells at Royal sports events next year. Future plans call for college study and a career in modeling or nursing.

Congratulations, Cinda, and best wishes from the Crown & Sceptre Staff.

Cinda's brother, Jim, was making an accurate prediction when this photograph was taken.

***SENIOR PROM
1966***

The Great Scots

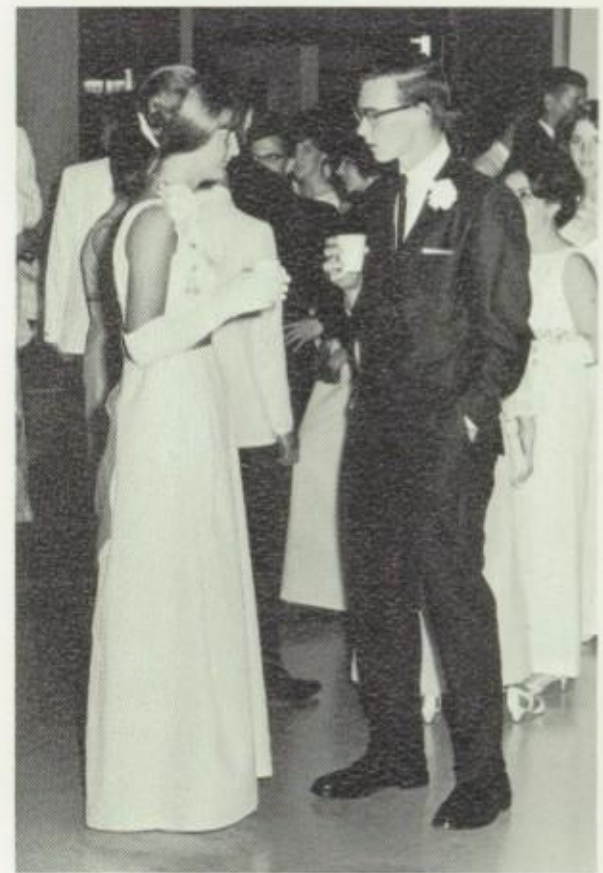

Happiness was the Senior Prom.

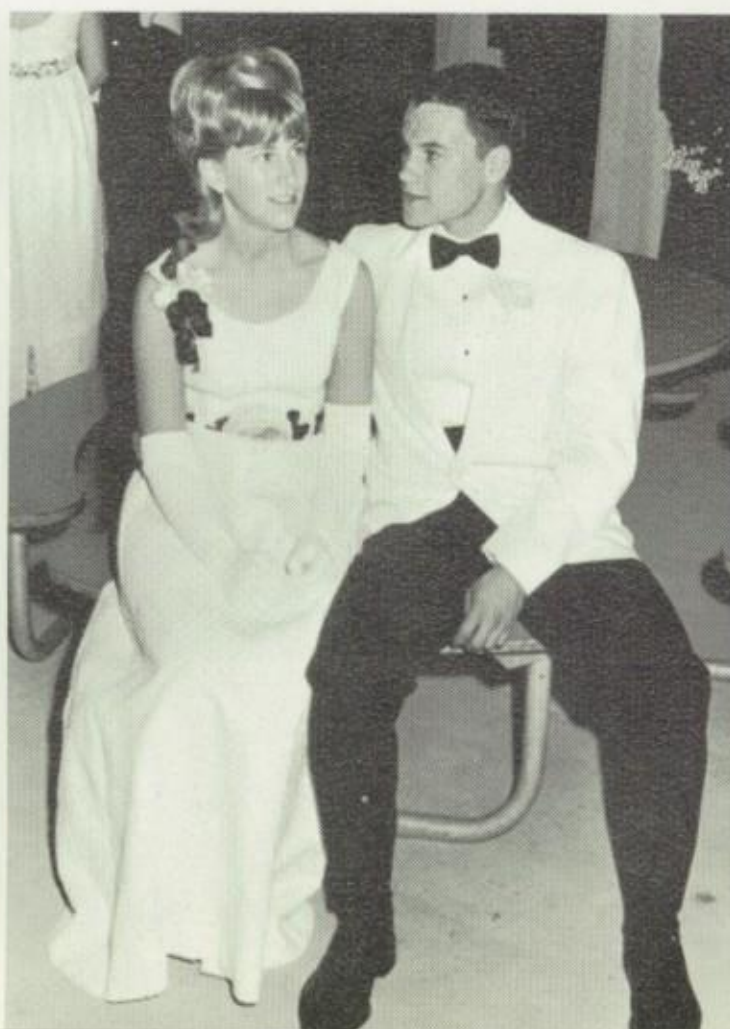

Each couple received a souvenir '66' tie tack and 'Senior Prom' charm.

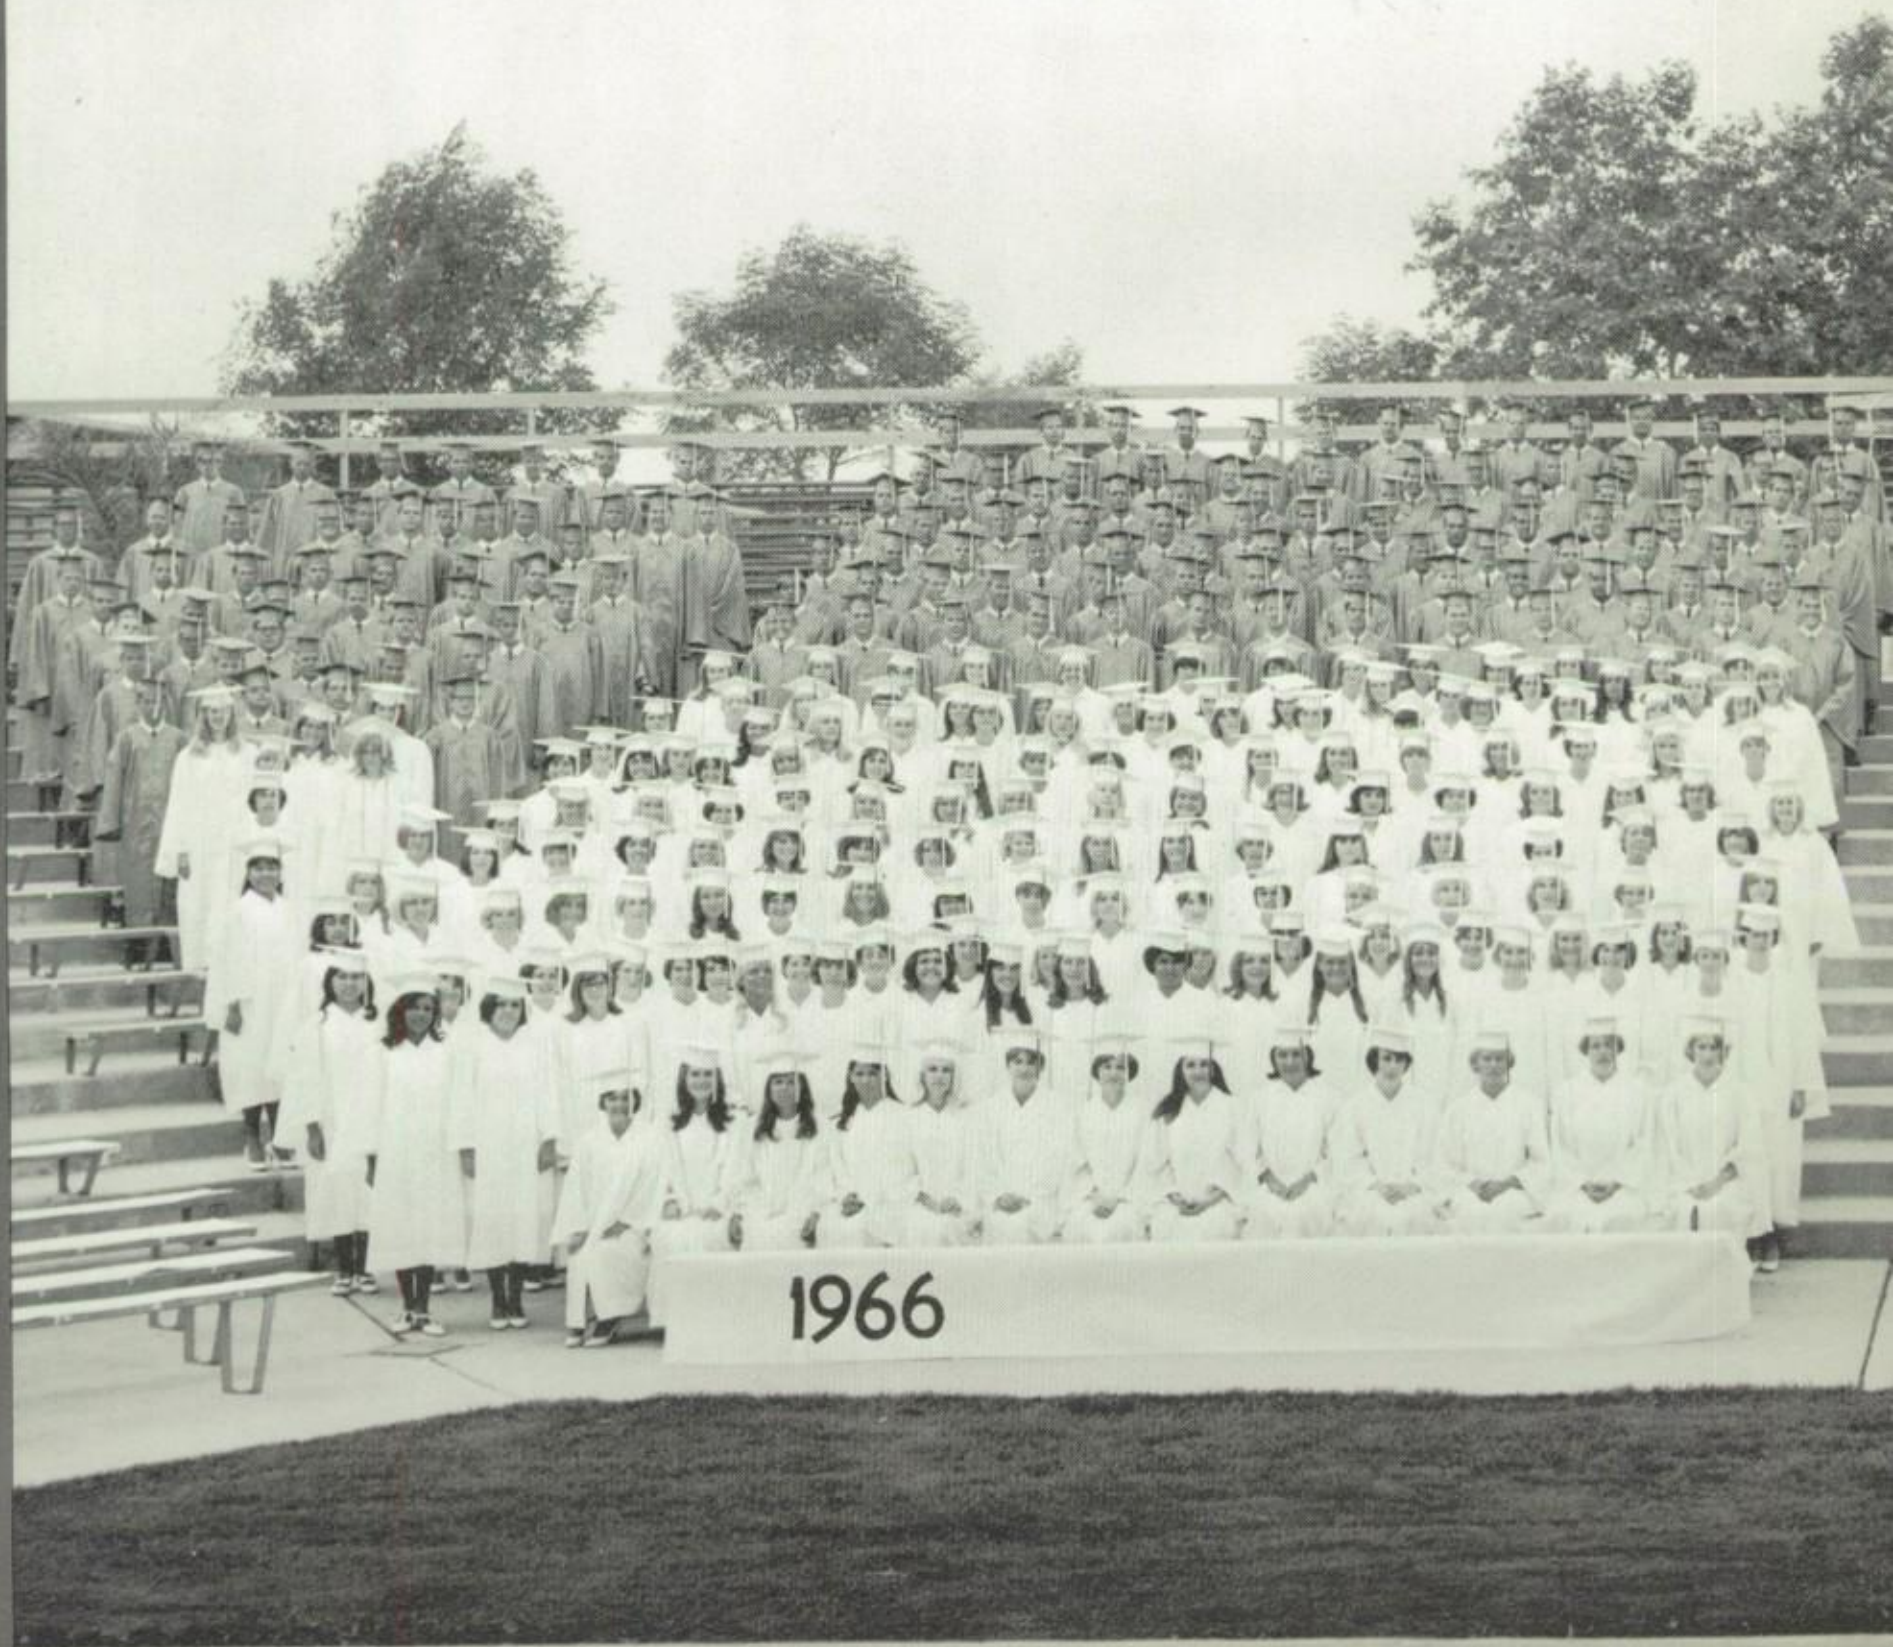

"Three Coins in a Fountain," San Marcos Class of 1966's Senior Prom will be long remembered by everyone who attended.

The dance was held at Santa Barbara City College's Student Center. The room, overlooking the lights of the harbor and city, was transformed to a majestic garden by means of flowers, plants, and a running fountain. This atmosphere was enhanced by beautiful girls in long formals and handsome boys in dinner jackets. The "Great Scots" from Halifax, Nova Scotia, attired in Tartan kilts, provided music for continuous dancing from 8 to 12. Cake and punch were served, and each couple had the opportunity to have a colored photograph taken. Girls who attended received a blue and gold "Senior Prom" charm, and boys received "66" tie tacks as tokens of a truly enjoyable evening.

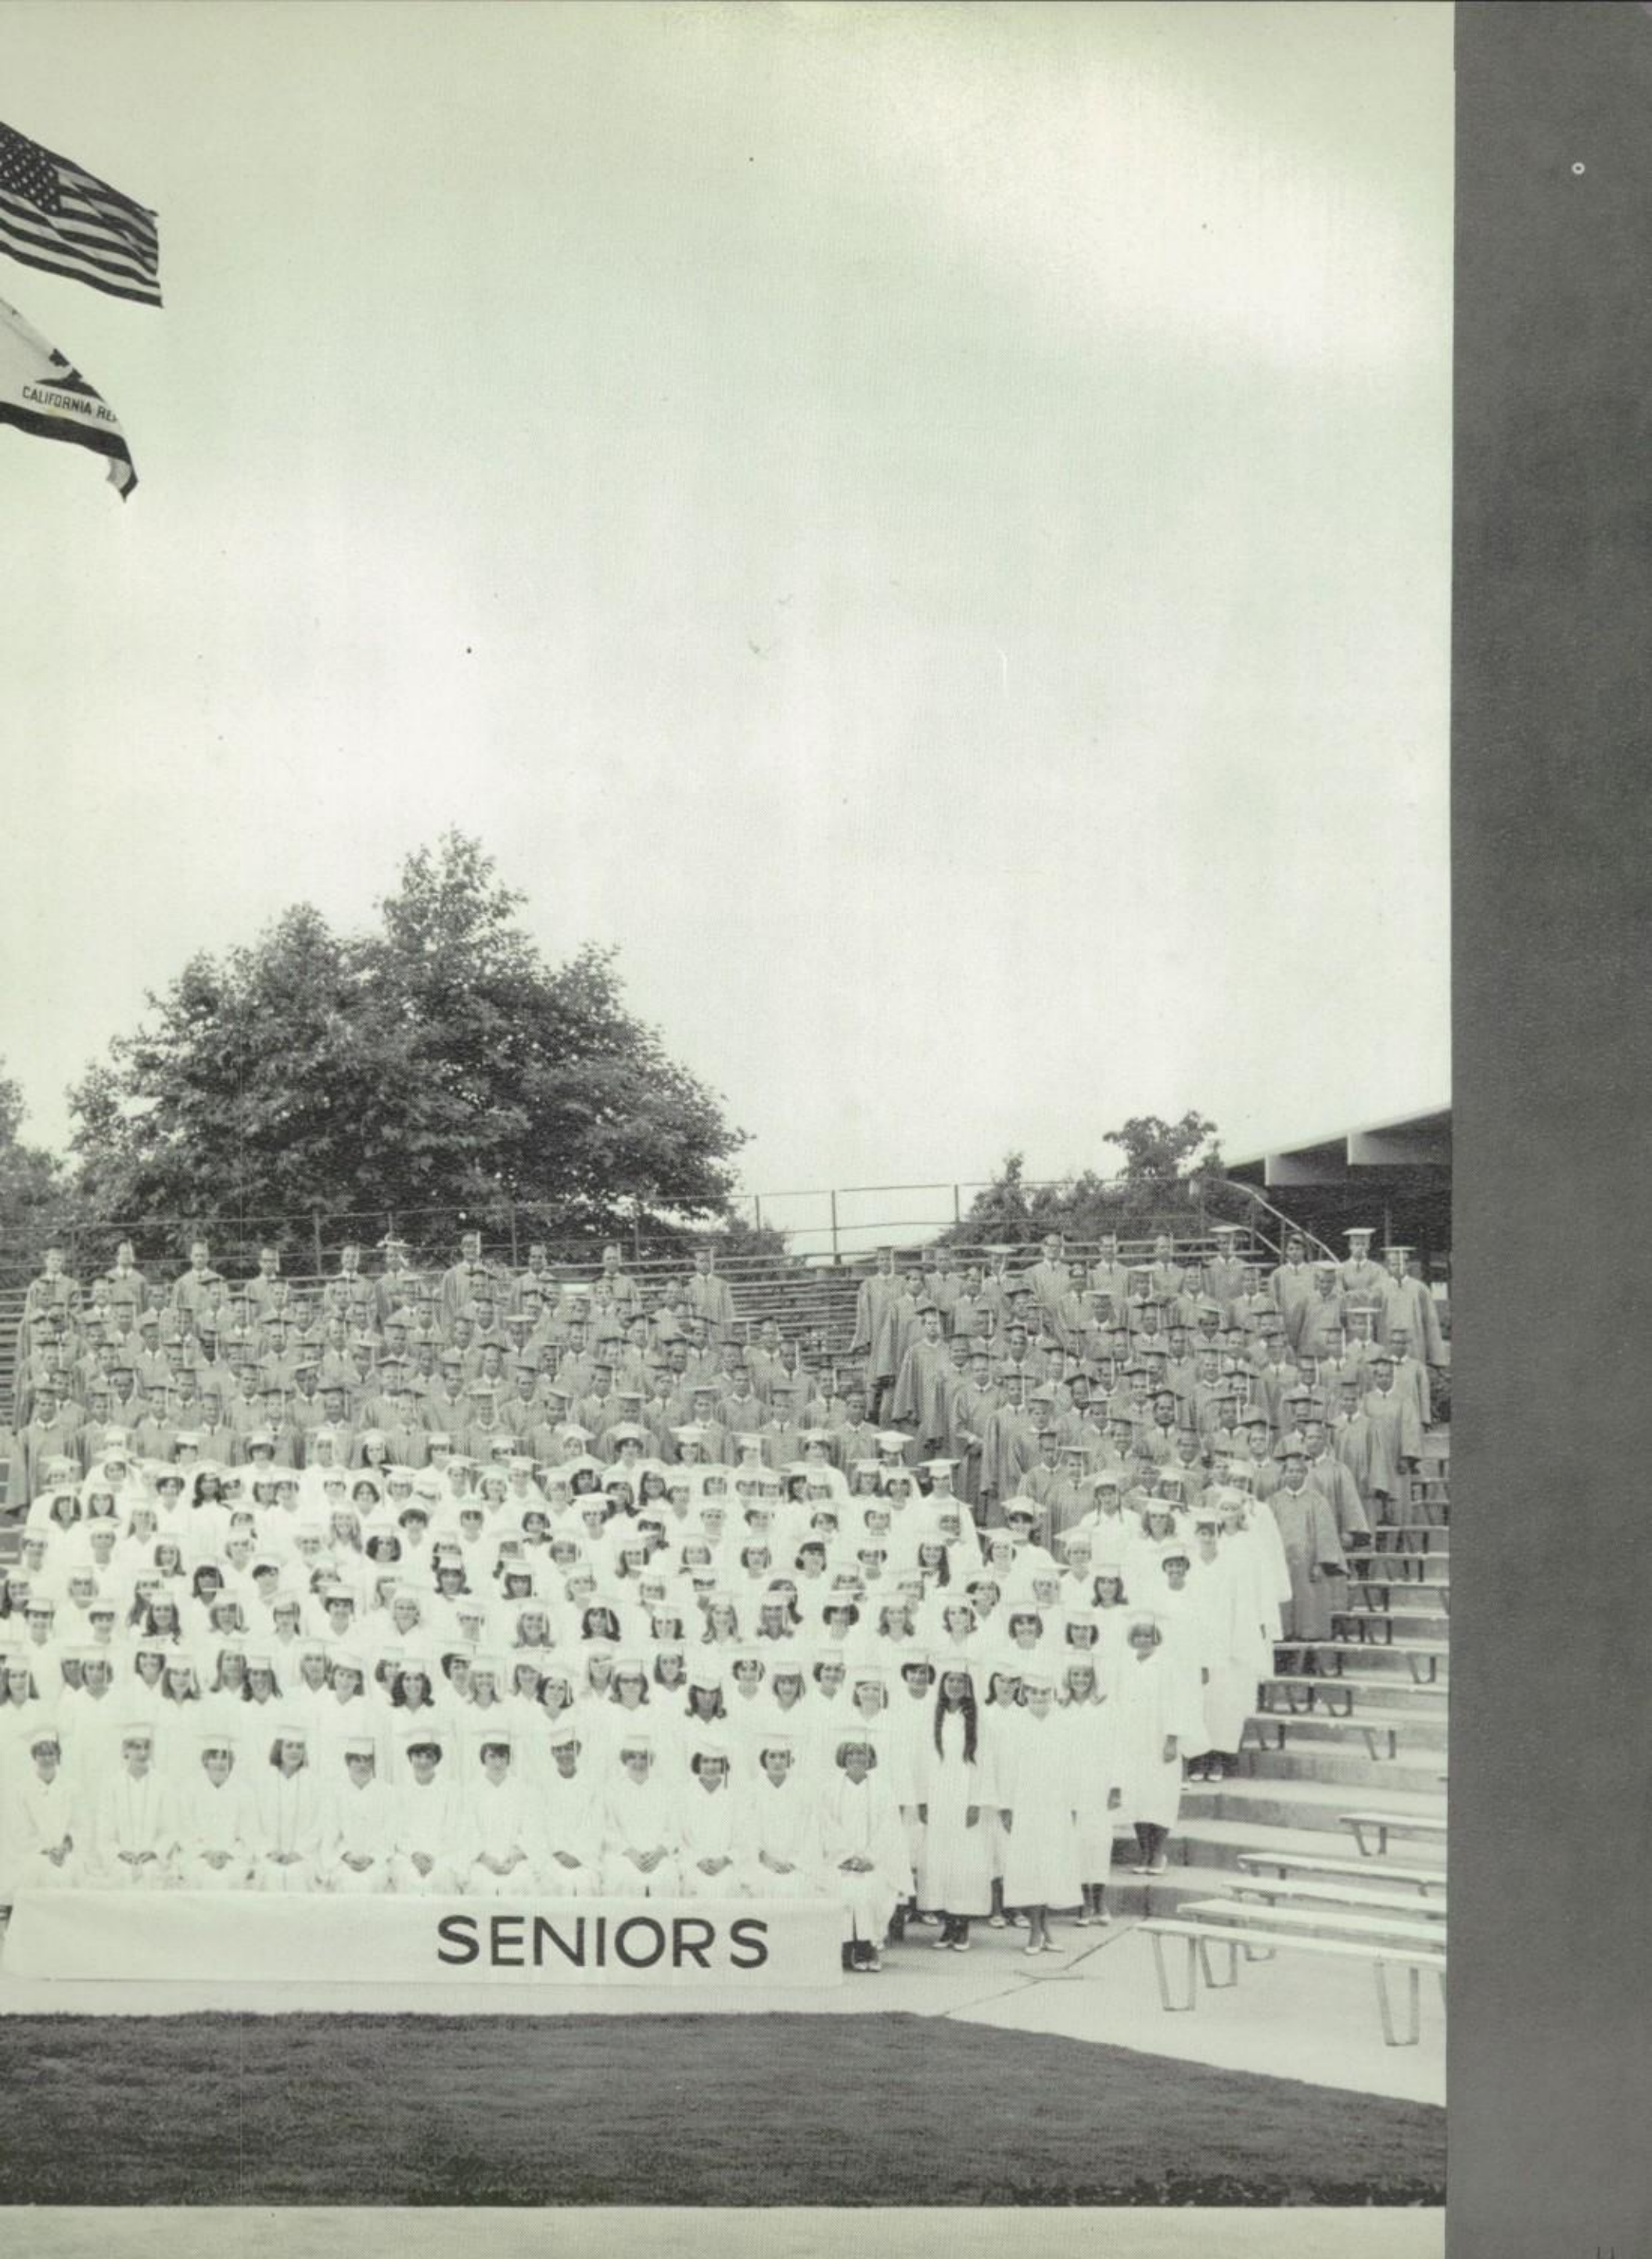

Time out for punch.

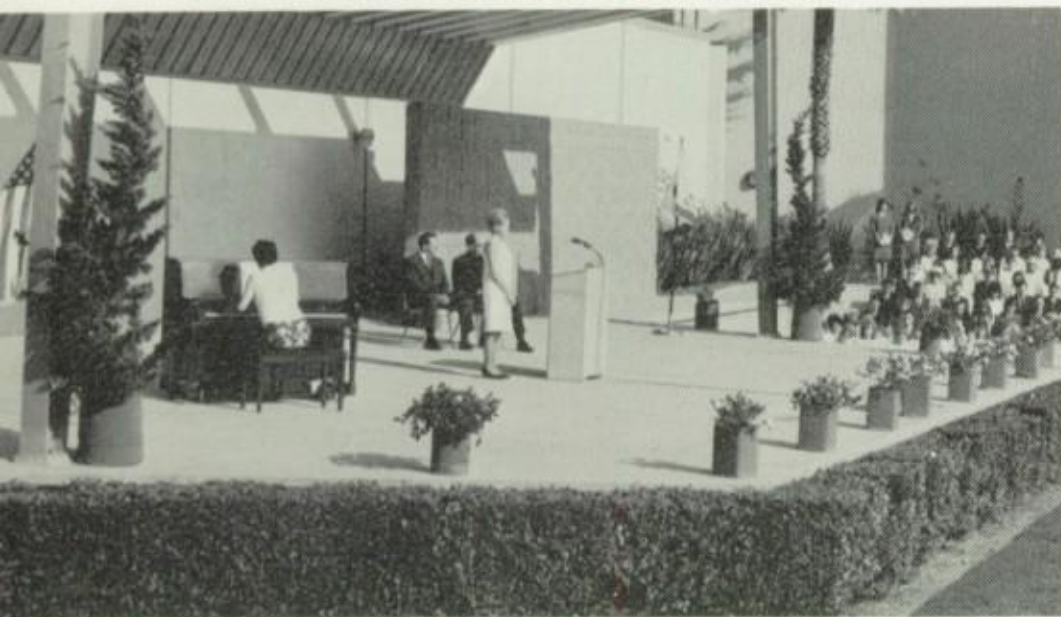

1966

SENIORS

Guest speakers were Reverend Bess and Father Alexander.

Senior Sharyl Parker sang "I Believe."

San Marcos A'Cappella and Madrigals presented "Heilig" and "Exaltate Deo."

BACCALAUREATE SERVICE

The Baccalaureate Service was delivered to San Marcos seniors late Sunday afternoon, June 12.

Dressed in suits and pastels, members of the Class of 1966 filed into the Greek Theater. Following the Invocation, led by the Reverend Howard H. Bess, Sharyl Parker sang "I Believe," accompanied by Mrs. Joyce Petersons. Father Alexander Manville, OFM from Bishop Garcia Diego High School, delivered the Baccalaureate Address. His talk was concerned with the world awaiting tomorrow's adults and what they must achieve to meet success.

The San Marcos A'Cappella and Madrigal Singers, directed by Mrs. Petersons, sang two numbers and Reverend Bess delivered the Benediction.

Junior Honor Guards for Baccalaureate were Betty Adams and Tony Arnold.

YEARBOOK SIGNING PARTY

No member of the Royal Class of 1966 will forget Senior Week. These activities began with the yearbook signing party in a Hawaiian theme. Adorned in colorful tropical prints and leis, San Marcos Seniors enjoyed themselves signing 1966 Crown & Sceptres, eating a catered chicken dinner, socializing, and dancing to the music of the Blackpool Five. Beautiful decorations which included numerous flowers and plants, a waterfall, paintings by Mrs. Goodale of the PTA, and streamers, added greatly to the festive atmosphere.

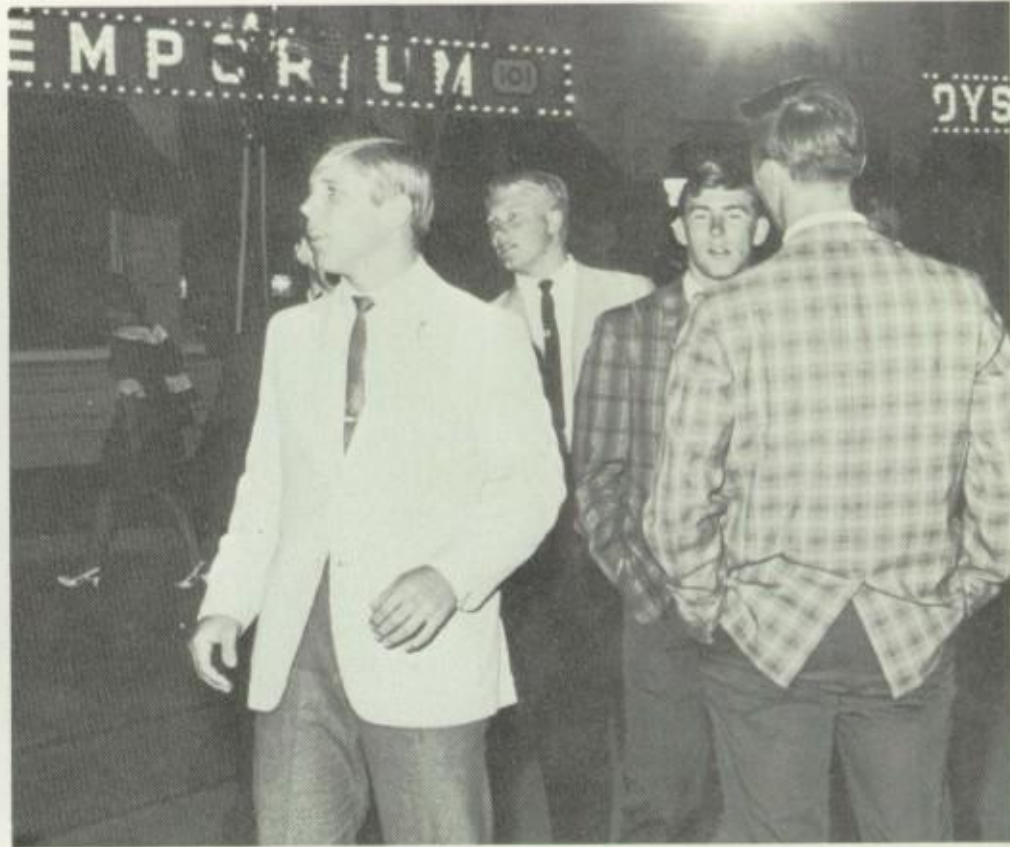

BEACH PARTY

Senior Week '66 continued at a very lively pace on Tuesday at the Cabrillo Pavillion. Seniors began arriving during mid-afternoon and swam, played guitars and sang, played volleyball, pingpong, and pool, and socialized. Soon, the Five Straightmen began to produce rocking sounds and couples started to dance. A bar-b-que dinner was served and dancing continued. Too soon, it was time to conclude the enjoyable activity.

Disneyland Grad was an evening (and morning) which will be long remembered by all members of the San Marcos Class of 1966 who attended.

After graduation, these seniors boarded busses and arrived at the park shortly after 10. From then until 5 a.m., Disneyland offered the graduates everything from the usual rides and amusements and dancing to rocking bands to outstanding entertainment by such stars as Mel Carter, The Association, and The Clara Ward Gospel Singers. Every moment was filled with excitement and too soon it was time to leave.

With hands full of souvenirs, heads wearing a variety of hat styles, and minds full of happy memories, Royals once again boarded their busses. During the ride home, it was not surprising to see many tired seniors peacefully asleep.

Upon arriving at San Marcos, the overwhelming feeling was, "Disneyland Grad Nite '66 was a great way to conclude a wonderful year!"

GRADUATION EXERCISES

Invocation and Benediction were delivered by Father Virgil Cordano. The Reverend Donn Moomaw, third from right, delivered the Commencement Address.

Commencement exercises for the San Marcos High School Class of 1966 were held in the school Greek Theater on Wednesday afternoon, June 15, at 3:30. Following the processional to organ music by R. Del Parrott, the Invocation was delivered by Father Virgil Cordano. The senior class was fortunate to have the Reverend Donn D. Moomaw of Bel Air Presbyterian Church deliver the Commencement Address. His excellent speech on the importance of making the proper decisions drew a standing ovation from the audience. Mr. Boettner then presented the class to Dr. Scharer, Superintendent, and Mrs. Nadel and Dr. Jacquemain of the school board presented diplomas. Senior Janet Coykendall led the class in the singing of the Alma Mater, Father Cordano delivered the Benediction, and Mr. Del Parrott again played "Pomp and Circumstances." The Class of 1966, largest in San Marcos' history, then filed out of the Greek Theater for the last time as high school seniors, leaving behind them a three years filled with many happy memories.

Diplomas were presented by members of the Board of Education. Junior Honor Guards for Graduation were Donna Rowland and Marc Tolo.

Class Flower: White Chrysanthemums; Class Colors: Light Blue and White.

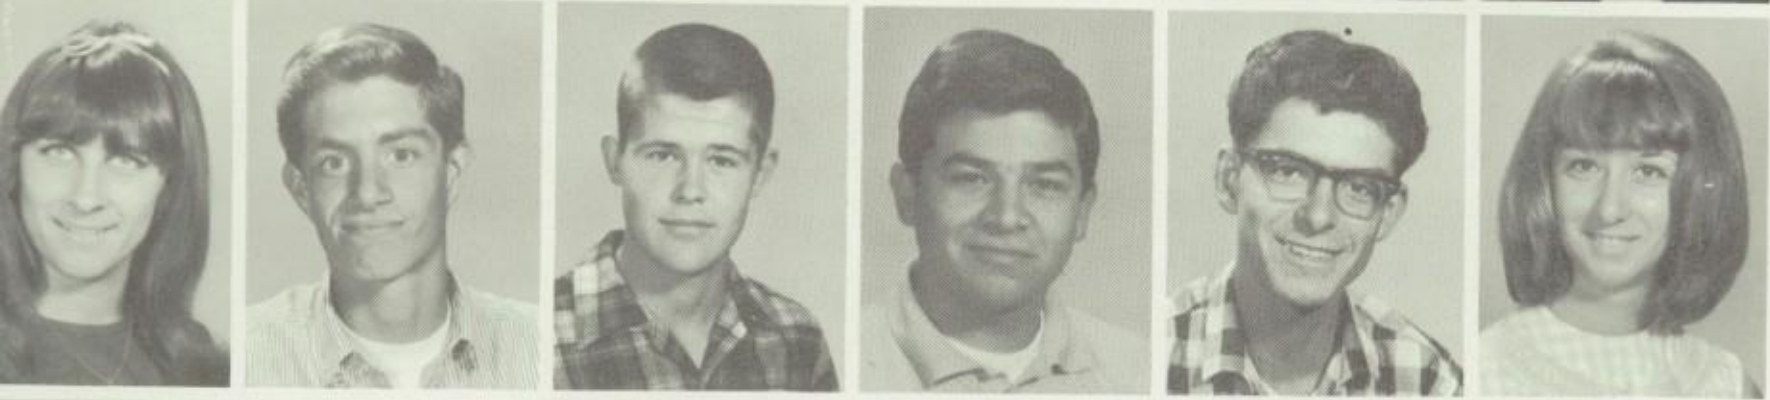

"Oh San Marcos, Alma Mater
We now sing our praise to you.
We are proud of your fair colors,
Scarlet Red and Royal Blue.

We shall cherish all our memories
And ever faithful be.
As we honor thee, San Marcos,
Alma Mater, Hail to thee."

"The past forever gone,
The future still our own."

ADVANCED STUDIES

San Marcos High School is indeed fortunate to have a curriculum which includes studies at an advanced level. Among these courses offered are: fifth year Spanish or French, physics, marine biology, microbiology, physiology, geology, and advanced mathematical topics. Another first for San Marcos came this year in the Girls' P.E. Department, which offered several elective programs. Few high schools possess as complete a curriculum, and most of the students enrolled in one of these advanced subjects have benefited from the course.

SCIENCE

MARINE BIOLOGY

Instructed by Mr. Kaiser, the Science Department offered a one semester course in Marine Biology. Above, students are studying a Crustacean found during a field trip to a local beach. The class studied all levels of marine plant and animal life, and participated in several laboratory studies.

LANGUAGE

Grammar was reviewed in Mr. Hopping's fifth year Spanish class.

Study of several Spanish novels highlighted the course.

SPANISH 9-10

Through practice, fifth year French students were able to improve and polish their speaking of the language.

FRENCH 9-10

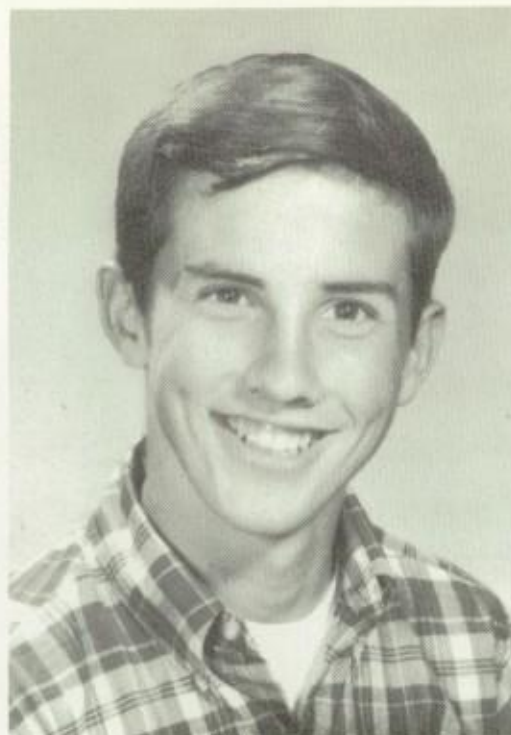

Steve Dunlap, Diana Lopez-Rey, Jan Mathias, and Cindy Boise prepare a panel presentation.

Fifth year French instructor Mrs. Boole, above, checks her students' progress.

ACTIVITIES

Claude Anderson, Mike Dietrich, and Pete Leckie added humor to many pep rallies.

EVERYBODY loved rallies!

"LET'S GO, LET'S FIGHT,

ROYAL RALLIES

Fond memories will always
be remembered of '65—
a winning season.

Inspiration from Coach Stoney.

Royal cheerleaders and pep band made contagious their faith, hope, and spirit.

The San Marcos Madrigal Singers were one of several Royal groups which sang in the show.

The annual Royal Blue Revue, sponsored by the P.T.A. and produced by Mr. John Duerr, was presented on October 18 and 22. The program consisted of individual and group singing, music, dancing, and blackout comedy. This year's show was fortunate to have the music of the Santa Barbara Barbershop Singers.

Variety, quality, and talent are the best words to describe the 1965 Royal Blue Revue. Half of the proceeds were contributed to the Stadium Fund, and all who attended the program will long remember it.

ROYAL BLUE

One of the highlights of the program—the Santa Barbara Barbershop Singers.

Senior Karen Sumida performed one of her lovely Japanese Dances.

Royal nurses Dianne Whitbrook and Linda Meese argue about doctors Ben Casey and Jim Kildare in an entertaining song.

REVUE

The McDermott Brothers, Welch and Ryce (alias Peter Leckie and Mike Dietrich) performed one of their hilarious comical acts.

Among the music in the program were folk songs.

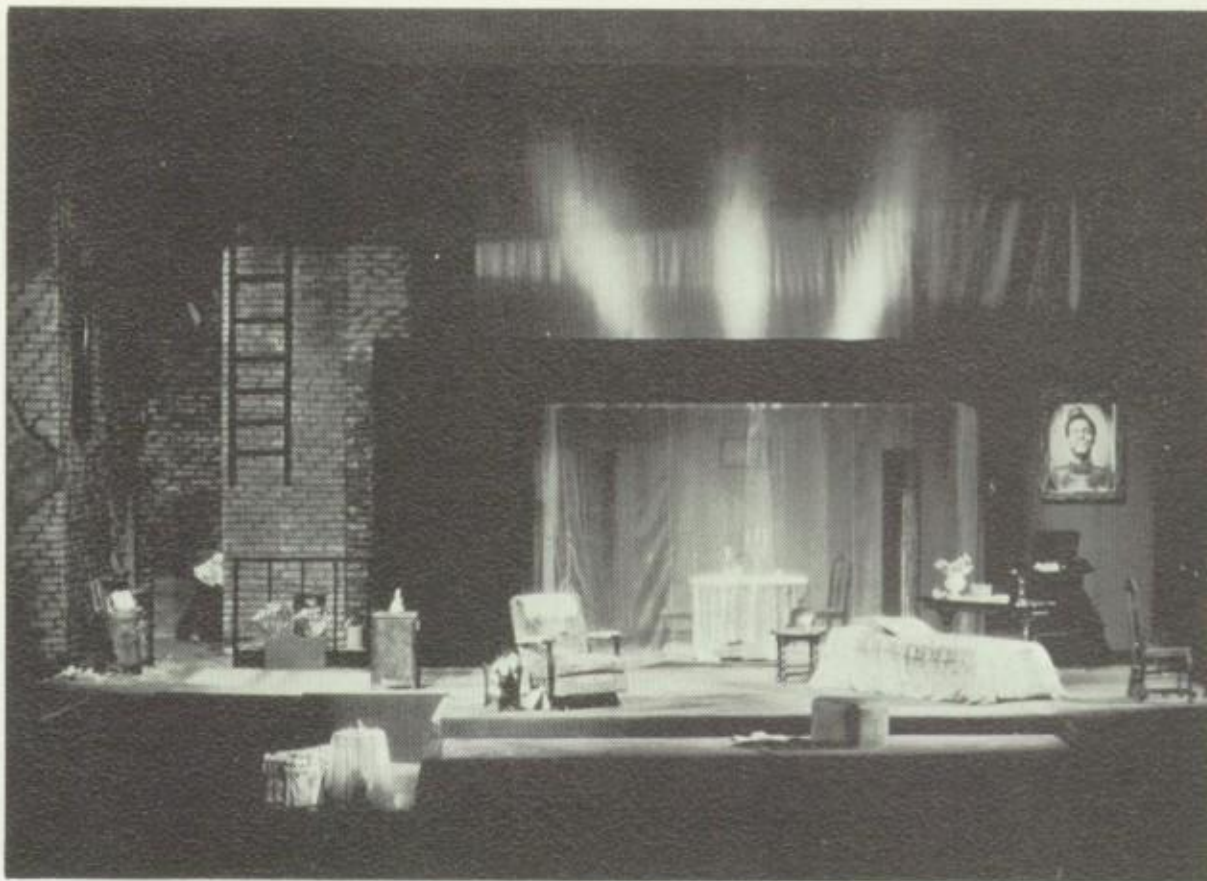

"WHAT A LIFE!"—January 22 and 29, 1966

Directed by Mr. John Duerr, "What A Life!" was presented at San Marcos on January 22 and 29, 1966. A comedy set in a high school principal's office, the play was thoroughly enjoyed by student and adult viewers alike. Gentle fun was poked at such features of school life as hall passes, innumerable reports to fill out, long (sometimes overnight) waits outside offices, and mildly (?) eccentric teachers. Everyone indeed had the time of his life at "What A Life!"

FALL DRAMA

"THE GLASS MENAGERIE"—February 18 and 19, 1966

Under the direction of Mr. Ralph Bowman, four San Marcos students presented Tennessee Williams' penetrating drama, "The Glass Menagerie." The sensitive and perceptive acting was complemented by effectively unusual lighting and staging. The stage was built out to the first row of seats to bring the audience into more intimate contact with the players. Special lighting and sound effects underscored the subtle changes in the mood of the play. For all who saw it, "The Glass Menagerie" was an unforgettable experience.

HARVEST MOON BALL

Presented by the San Marcos Key Club, the annual Harvest Moon Ball was staged in the Royal Barn on November 24.

In addition to dancing to the music of three bands, Royals vested in gingham, madras, and the like, had the opportunity to try their skill in such booths as the Turkey Shoot or Dart Throw, tie the knot with Marryn' Sam, or drink the delicious Kik-a-poo Joy Juice.

The number one social event.

At the Homecoming Rally Friday, October 15, the queen candidates were presented to the Student Body. NOEL IN WHITE

Why Worry?

Mike Tully and Jean Marson make entrance to the dance floor.

In keeping with the San Marcos tradition, the annual NOEL IN WHITE, was held at Rockwood. The Social Committee, headed by Pam Barnes and advised by Mr. Carl Hentschke, made the December 18 dance the most successful Christmas occasion in Royal history. Decorations were beautiful, a romantic holiday atmosphere prevailed, the girls were lovely, and the boys exciting. From the first dance through the last, the 1965 NOEL IN WHITE was truly a memorable evening.

Couples danced for three hours to the music of Al Magdelino's orchestra.

The Annual "Sweetheart Swing," presented by the Usherettes, took place in the Royal Ballroom on Saturday evening, February 12. Music was provided by the Five Straightmen, a San Marcos band, and the Boss Bananas, a group of alumni. Decorations in red and pink were beautiful, and an enjoyable time was had by all.

"WAITING FOR GODOT"—January 22, 1966

Originally performed for Senior English classes in the San Marcos Auditorium, the somewhat experimental production of Samuel Beckett's "Waiting for Godot" became San Marcos' entry in the first annual Southern California Thespian Society Drama Festival on Saturday, January 22, 1966. Presented in the Santa Barbara High School Auditorium along with entries from eleven other schools, "Godot" won first prize for the best group production. It will long be remembered as a bizarre and strangely haunting piece of theatre.

ROYAL GRID

COACHES

Everyone knows that behind every good football team there are good coaches. We at San Marcos know from experience.

John Stoney, in his second year as head football coach, has built perhaps the finest team for whom the Royals have ever cheered. The team's success can be attributed not only to the athletes' prowess, but also to Mr. Stoney's summer weight training program and his general perseverance.

Coach Stoney's associates Richard Prigge, Sut Puailoa, and Dick Mires deserve a great deal of credit for putting the line, backs and ends in Royal shape. All the grid coaches shared a determination to play fairly, play well, and win!

Coach John Stoney and his associates will always be remembered at San Marcos as the first coaching staff to put together a team good enough to *beat the Dons*.

Royals 7-Braves 12

In their season's opener, the Royals succumbed to a fired up Lompoc team by a score of 12-7. Leading 7-0 with less than four minutes left in the fourth quarter, the Royals seemingly had the game won, but two disastrous fumbles caused their ultimate defeat. Senior quarterback, Alan Stephenson, scored San Marcos' lone touchdown on a two yard plunge midway in the second quarter.

Royals 7-Saints 20

On September 29th, at La Playa Stadium, the Royals fell victim to the highly touted Saints. Santa Maria's vaunted running attack, which had led them to a number two ranking in CIF, was stopped cold by an aroused Royal defense. However, the Saints scored on three long passes and the Royals went down to their second defeat. Alan Stephenson scored the Royals' touchdown late in the second quarter and Randy Roberts kicked the extra point.

Royals 35-Warriors 0

The Royals rolled to their first victory of the season with a very impressive victory over the Righetti Warriors. Alan Stephenson led a crushing Royal running attack that ground out 393 yards against the hapless Warriors. The Royal defensive unit played an important part in the victory as they limited Righetti to a -2 rushing and only 37 yards passing. Stephenson, Rivera and Moore all scored touchdowns and Randy Roberts kicked 5 perfect extra points.

Royals 49-Raiders 0

In their final pre-league game of the season, the Royals crushed the Rowland Raiders, 49-0, before a San Marcos Homecoming crowd of 3,000 fans. Holding a slim 7-0 lead at halftime, the fired up Royals scored 6 second-half touchdowns in the most one-sided victory in the school's short history. Alan Stephenson scored the lone first half touchdown, while Rivera, Daniels, Hendry, Pitcher, Moore and Rowland all scored in the second half. Randy Roberts kicked seven more perfect extra points to run his season total to 13 straight.

Steve Steinman makes key tackle late in the fourth quarter.

"The King Is Dead!"

On October 22, 1965, the San Marcos High School Royals met the Santa Barbara High School Dons in a football game that made history. The Royals, battling a Don winning tradition as well as a football team, gave the game every ounce of skill and determination they could muster up. It paid off!

In the first half the Dons scored twice, while the Royals only crossed the Don goal line once. That first San Marcos touchdown was set up on a 43 yard pass from quarterback Alan Stephenson to split-end Rick Spencer. From the Don one yard line, Stephenson plunged for the score, and reliable Randy Roberts kicked the point that made it 14-7. It stayed that way through the rest of the half.

It was the Royals all the way in the second half, starting with tail-back Johnny Rivera made a spectacular 83 yard kickoff return touchdown, only to have it called back on a penalty. The Royals bounced back, however, on a long drive that ended when big Al Stephenson scored again late in the third quarter. The Roberts kick was good and it was all tied up 14-14.

Jim Daniel and Dale MacMurray drop Don "Joby" Nunez for loss.

Long Live The King!"

The Dons scored once again in the fourth quarter on a long punt return by Dickie Warren. The kick was bad, and somehow we knew the game was ours. The only despairing moment in the whole game came when a Stephenson aerial was intercepted by Don John Rickard and returned to the Royal 29. But Rickard was hit so hard he fumbled the ball, and in the mess that ensued it was a Royal who came up with it—it was ecstatic tackle Dennis Brimer who scrambled for that ball and got it. Then, with little more than a minute to play, the Royals began to move. The drive was long on the field, but short on the clock. Within 30 seconds Stephenson completed a spectacular pass to Randy Roberts, who looked as if he had the score when he was tackled on the Don one yard line. The Royals, with no time-outs left, scrambled without a huddle, but a Don penalty stopped the clock and gave Coach Stoney time to send in a play. It was a Stephenson to Spencer pass, and it worked. With six seconds remaining it was Royals 20 — Dons 20. Roberts kicked the perfect extra point and it was all over: *Royals 21 — Dons 20.*

There was a kickoff, and a play after that, but those are blurred in Royal memories. What really counts will never blur — the Royal game, the Royal win, the Royal scoreboard. No San Marcan will ever forget OCTOBER 22, 1965. No one ever forgets a coronation.

Royals 38-Vikings 20

After a sub-play first half the Royals bounced back to hand an inferior Hueneme team a 38-20 victory. They led 20-19 at the half, but were unable to score again through the remainder of the game, while San Marcos scored three more times. The scoring was spread — two touchdowns each for Alan Stephenson and Rick Spencer, one for Johnny Rivera on a kickoff return, and one for Flip Rowland on a thrilling pass interception.

Royals 6-Yellowjackets 25

After a four game winning streak, the Royals were forced to submit to a great Oxnard High team which went on to the CIF play-offs. The Royals were able to score only once in the dusty game, on a 10 yard pass to halfback Randy Roberts. It was a tough game to lose but a good team to lose to. The final score was: Oxnard 25, San Marcos 6.

Camarillo was another loss, the loss which completely destroyed our chance for a Channel League championship. Playing the Camarillo field, the Royals were able to score only once when quarterback Alan Stephenson handed to Greg Woolsey. The final score was San Marcos 7—Camarillo 14.

Royals 14-Cougars 7

When the Royals traveled to Ventura for their final game in the 1965 season, they were determined to win. With a two-game losing streak, and a 4-4 season record, the Royals felt they had to down the Cougars. The Ventura team had been steadily improving over the season, but the Royal running attack was not to be stopped. Some spectacular runs by John Rivera and some crucial fumbles made the game more exciting as San Marcos won 14-7 on two touchdown plunges by Alan Stephenson.

Junkie, Coach Prebish. Top row: J. Jensen, S. Frowiss, J. Dandona, J. Copely, X. Martin, P. Murphy, J. Brown, H. Sarce, R. Jurk, D. Sexton.

Coached by Mr. John McCafferty, Mr. John Prebish, and Mr. Roger Hembre, the sophomore football team finished the '65 season with the best sophomore winning record in the history of San Marcos.

With a 6-1-1 record, the sophs fell only to Santa Barbara, and battled to a scoreless tie with Oxnard. The other six games were a different story. The Lancers swept all of them, and showed steady improvement to the season's end. Outstanding players were Fred Rivera, fullback, Mike Caessesse, and John Sexton, both ends.

Not to mention the Junior Varsity team which compiled the only perfect season, 5-0-0, that any S. M. football team has ever seen. The J. V. team deserves more credit and publicity than it received.

A great asset to the Varsity team, the J. V. team provided reserves and also served as a stepping stone of experience for future Varsity players.

COACH CLARENCE BISHOP

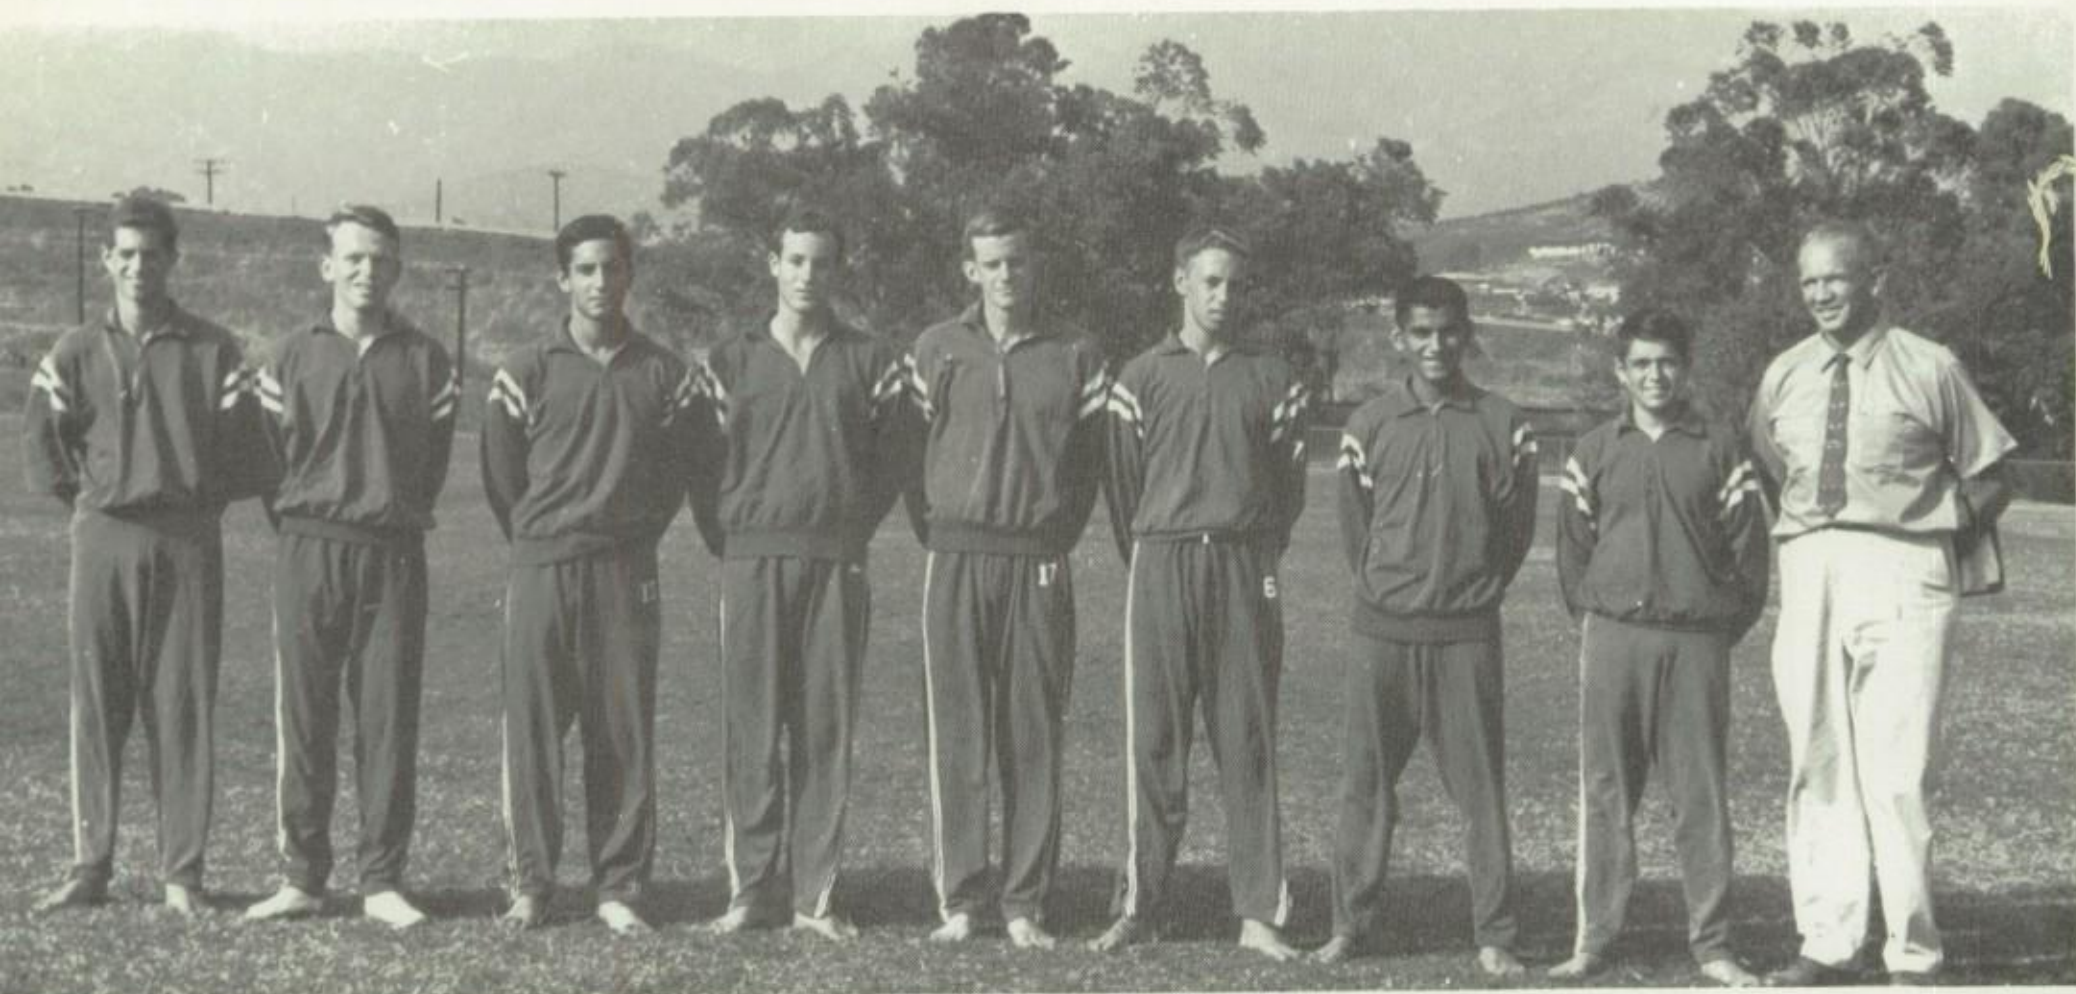

Led by Jeff Hausz and Jack Schabram, the 1965 cross country team was the best of the long distance squads in San Marcos history.

This year was a very successful one for the squad. Jeff Hausz, a junior, was one of the most outstanding runners on the team. He won in a time of 10:09 against Camarillo, in which the Royals defeated the Scorpions 15-49. Placing second in this meet was Jack Schabram with a time of 10:22 and third was Ken Meredith. Jeff placed fifth at the Fillmore Invitational, as did the team. He placed first against Ventura, which was another outstanding Royal victory.

Jeff, as well as Jack, were good prospects for the Royals in C.I.F. competition. The latter will be leaving the squad next year, therefore, the team will depend heavily on the running of Jeff Hausz next fall.

Other Royal varsity standouts on Clarence Bishop's team were Charles Eckberg, Tom Huschka, and Walt Rehm.

San Marcos had a very good basketball season this year, winning 17 games while losing only 5, and coming in a very close third in the Channel League. The Royals averaged 62.4 points per game, while allowing their opponents only 50.9. Rick Spencer led in rebounding and scoring with a 13.1 league average, followed by Mike Farrel, Steve Moore, and Dave Hjorth. The Royals climbed to the 10th position in C.I.F. ratings this year but tapered off towards the end because of losses to the team 4th rated in Southern California. The roundballers had one of the most successful basketball seasons in the history of San Marcos and left their supporters with numerous unforgettable memories.

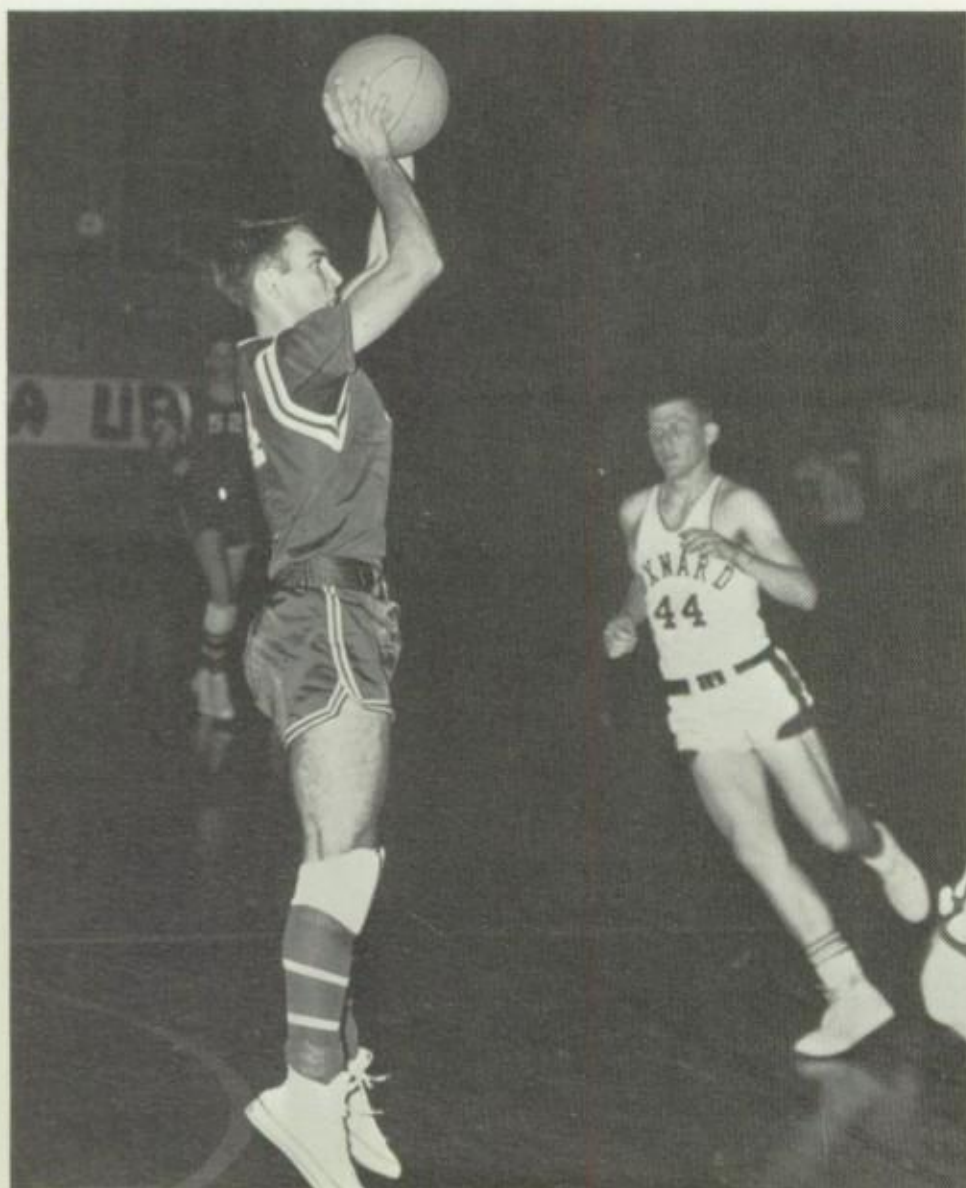

Individual pictures of the Royal varsity begin on page 242.

JUNIOR VARSITY

Coach Nielsen's Junior Varsity Basketball squad compiled a fine record this season, winning 16 games and losing only 5. The Royal J.V.'s also took second place in the strong Channel League.

The Junior Varsity team averaged 55.3 points per game while holding opponents to 47 points. Pete Cambier, winner of the Most Valuable Player Award, led the squad with 250 points and an 11.3 average. Other high scoring team members were Wayne Brydon, Paul Brydon, and Alan Frederick.

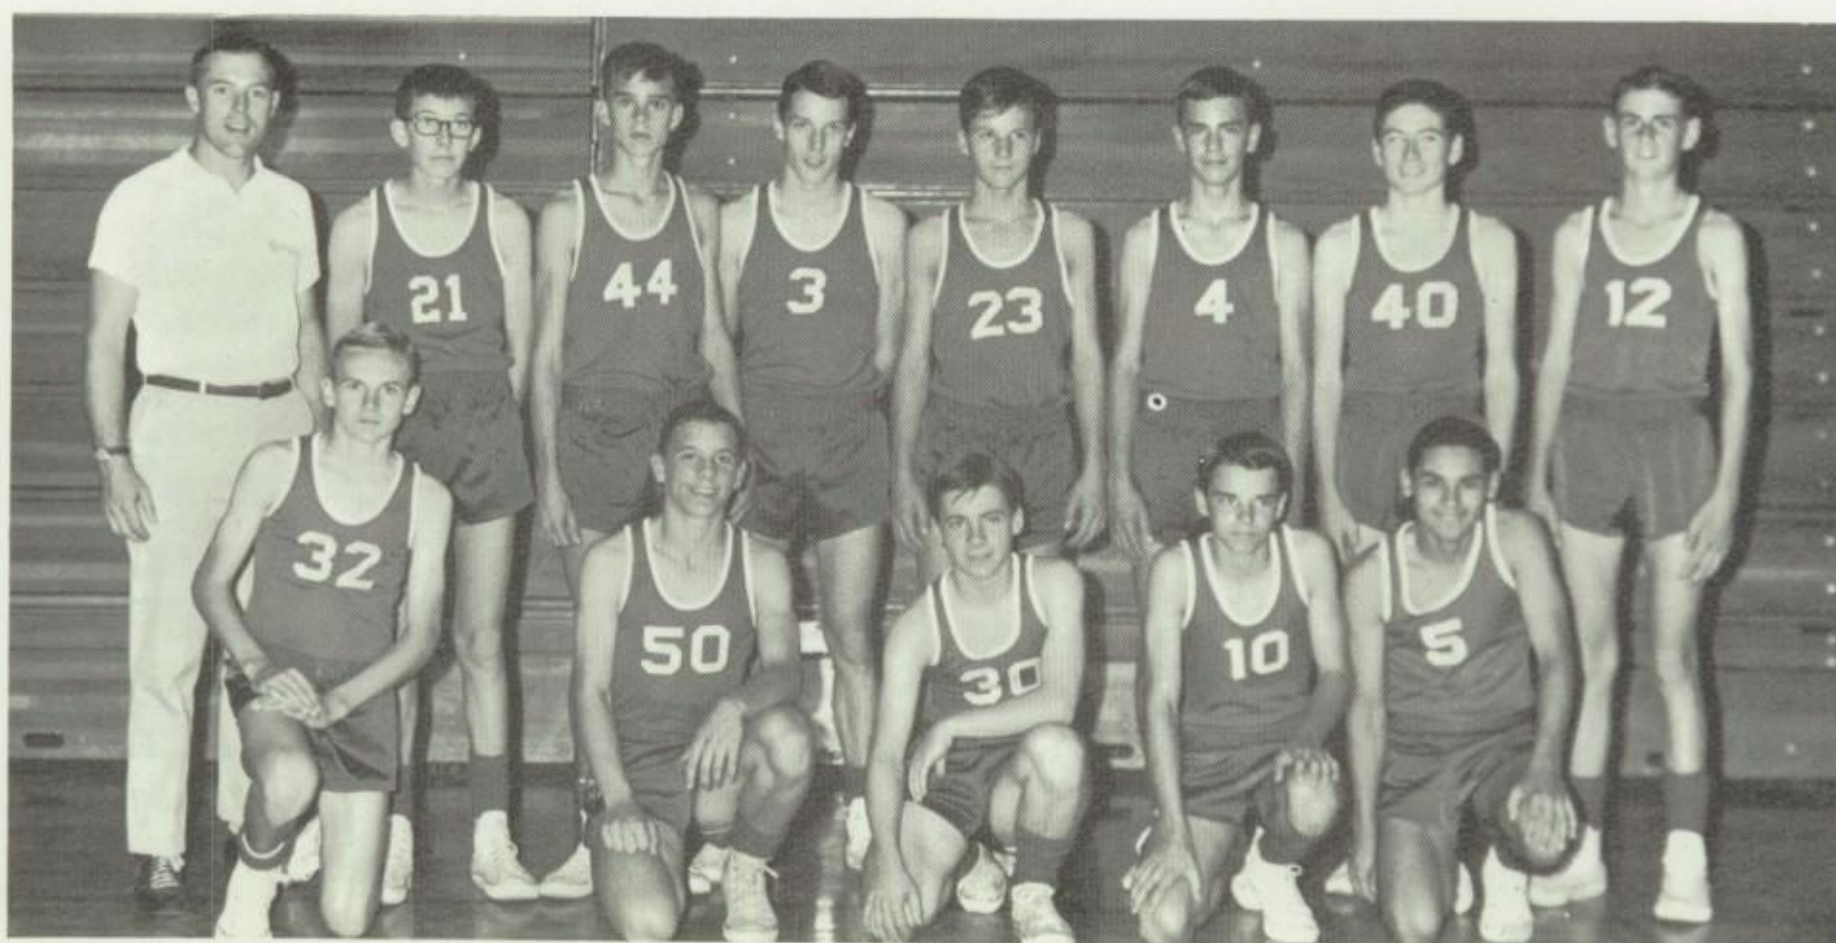

The members of this fine team, along with a strong nucleus of returning varsity players should give Coach Halleck the material to mild another strong Royal Varsity squad.

GIRLS' SPORTS

GIRLS' ATHLETIC ASSOCIATION

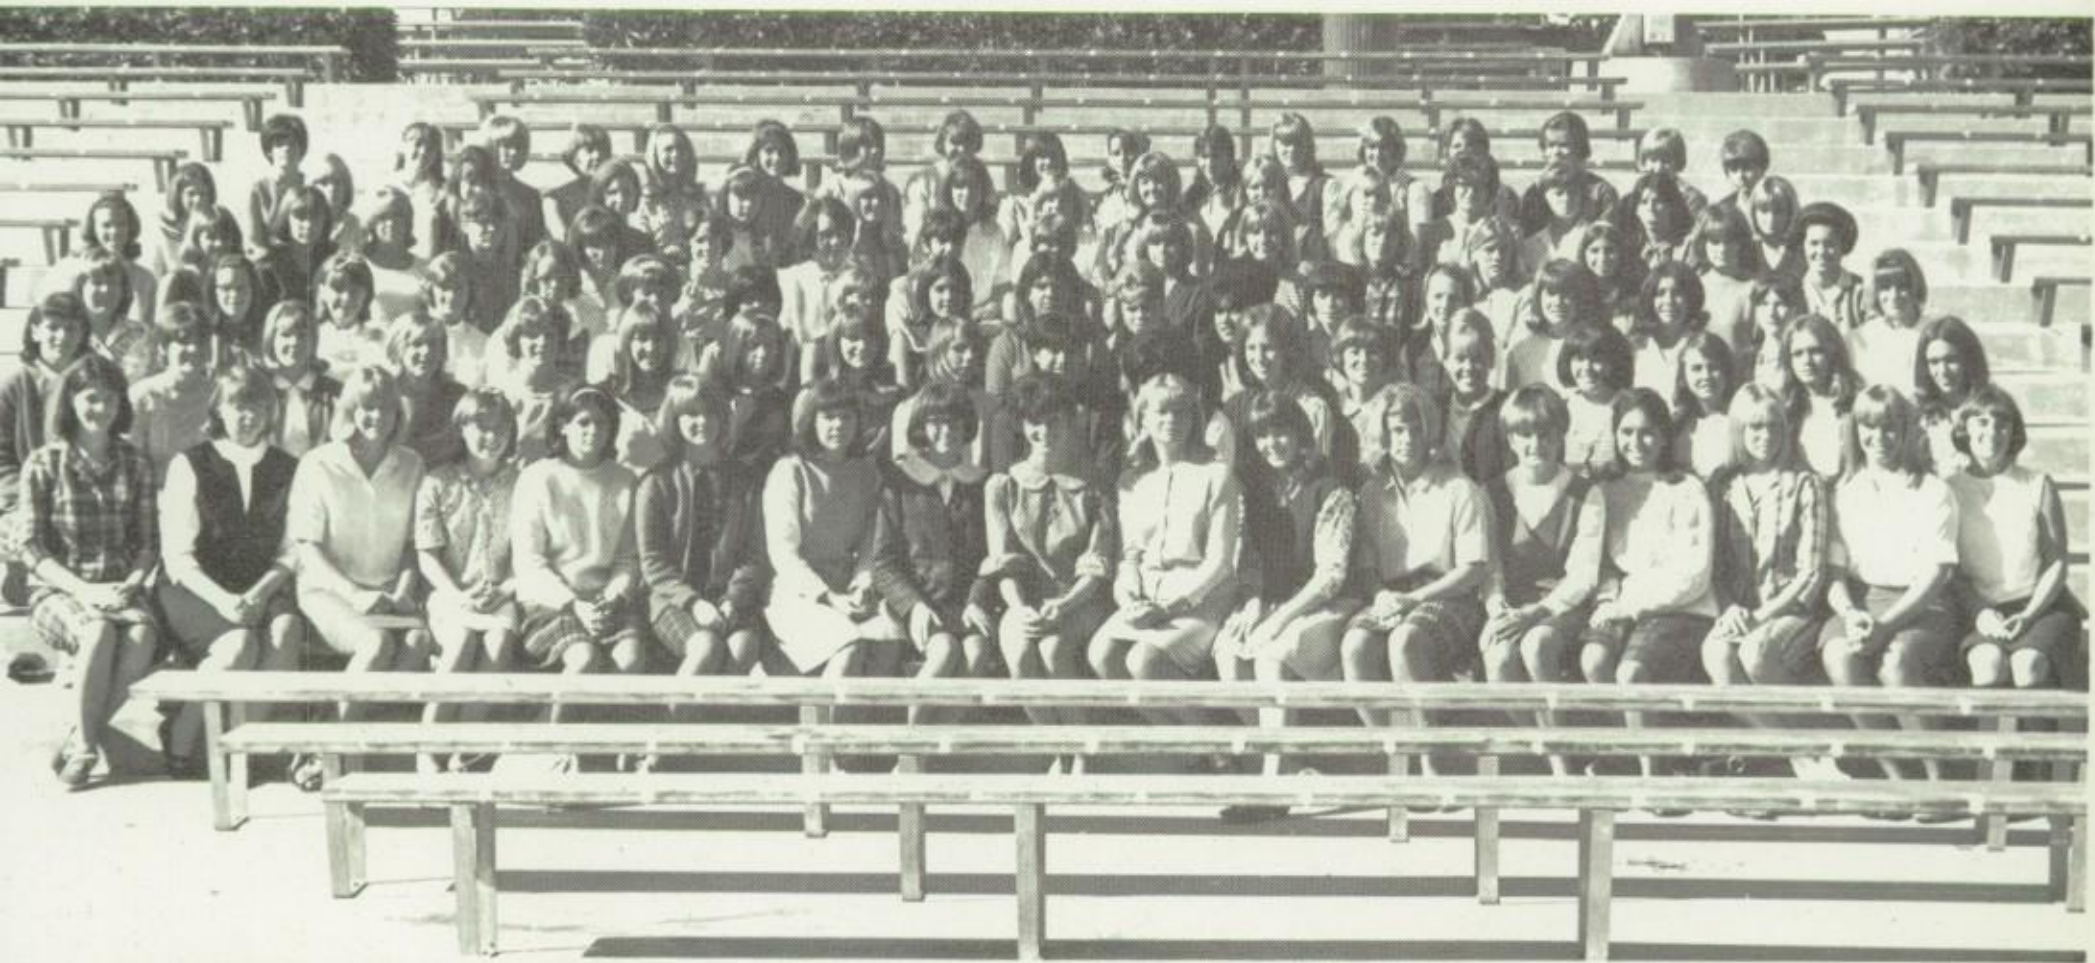

The G.A.A. has steadily grown to be one of the more successful organizations on campus. Its mounting success is explained by the fact that it offers a variety of activities for all girls. As a member a girl is entitled to participate in volleyball, basketball, softball, track, tennis, modern dance, swimming and gymnastics. At the end of the year an awards banquet is held honoring those who qualify in their activity.

Throughout the year the G.A.A. has sponsored sports nights, banquets, fundraising projects, and a Halloween party. Also, competition with local schools was one of its major functions. The San Marcos G.A.A. sponsored a sports day for seven other schools.

The enthusiastic response from the members this year indicates a continued active club in the future.

Serving the enthusiastic G.A.A. as officers this year were: Phyllis Kuykendall, President; Susan Lombard, Vice President; Donna Higbee, Secretary; Becky Rodriguez, Treasurer; Gwen Graham, Publicity Chairman, and Mrs. Peggy Wenzlau, Advisor.

ORGANIZATIONS

ASSOCIATED STUDENT BODY

DENNIS BRIMER
STUDENT BODY PRESIDENT

Fellow Students,

This school year has seen many accomplishments that will always be unique in the history of San Marcos. We have functioned admirably with probably the largest student body that will ever attend this school, and overcome numerous handicaps that our predecessors never had to cope with.

Although we have accomplished much, we can not afford to be satisfied, for if we stand still the world will surely pass us by. We must approach the future with open-mindedness, sincerity and enthusiasm if we wish to make successful the opportunities that San Marcos has given us.

Sincerely yours,

Dennis Brimer

OFFICERS

Most of the responsibility for making the year 1965-1966 a successful one at San Marcos fell to our Student Body Officers. Their efforts and accomplishments were appreciated by the entire student body.

RUTH CRONKITE
STUDENT BODY VICE-PRESIDENT

CANDY GREER
STUDENT BODY SECRETARY

DAN MILLER
STUDENT BODY TREASURER

A.S.B. CABINET

The Associated Student Body Cabinet consisted of school officers and committee chairmen. The main purpose of this body were to head their committees, review proposed legislation, plan house meetings, and present ideas to the administration and student body.

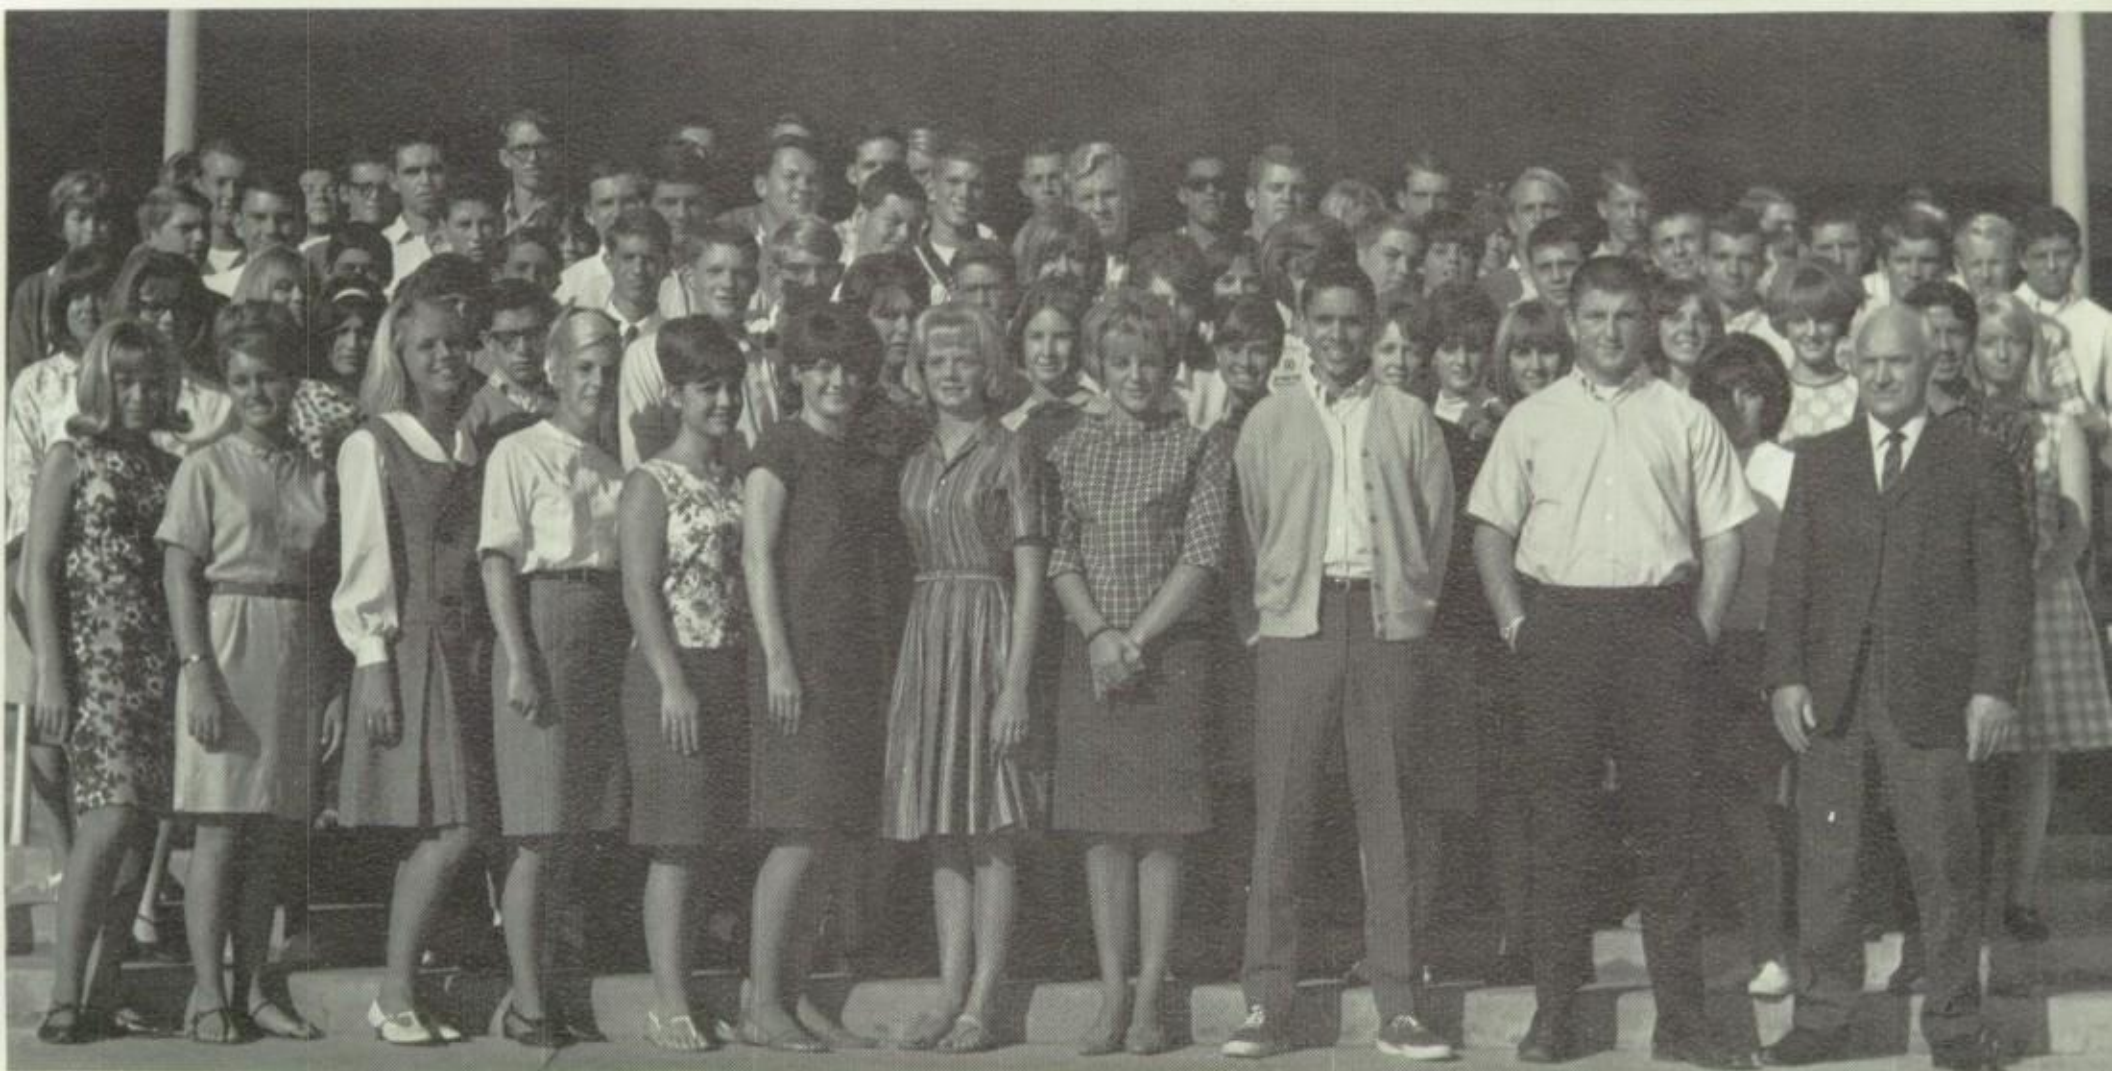

Members of the Student Body Cabinet were, Row 1, left to right: Regina White, Constitution Committee; Pam Barnes, Social Committee; Ruth Cronkite, Vice President; Candy Greer, Secretary; Carolyn Yorty, Campus Care Committee. Row 3: Betty Schliefer, Election Committee; Bruce Harger, Constitution Committee; Bob Jackson, Hospitality Committee; Cyndie Edwards, Program and Rally Committee; and Norma Hendry, Athletic Committee.

LEADERSHIP SEMINAR

The Leadership Seminar was an extension of the ASB Cabinet, containing this body and cheerleaders, publications editors, and officers of several clubs on campus. Its concern was with the improvement of and pride in San Marcos. In addition to having discussions with administrators, the group took a smoking poll and a trip to Vandenberg.

Under the direction of Mr. Barends and Mr. Duerr, members of the Leadership Seminar guidance rooms were, Row 1: Babs Cota, Susie Leiphardt, Kathy Woodruff, Judy Smith, Kris Smith, Karen Saad. HOUSE OF REPRESENTATIVES

The House of Representatives is the primary student legislative body of San Marcos High School. Members of the entire student body are represented, and each student has a potential voice in student government. The approval of expenditures from student body funds, committee reports, approval of club constitutions, and discussion of school policies, problems, and activities constitute the majority of House agendas.

This year, the meeting time was extended to two guidance periods, which resulted in additional depth to the activities of the House. Interesting discussions took place on such topics as parliamentary procedures for House meetings, the rest room situation, the pros and cons of Junior and Sophomore classes having officers, Senior privileges, field trips for various organizations, and the Valley Community Stadium Fund Drive.

As San Marcos High School grows in tradition and excellence, it grows in the participation and quality of its student government. During the 1965-66 school year, the House of Representatives traveled far in this pursuit.

CROWN and SCEPTRE STAFF

MR. FLOYD NEWMAN, Advisor

Without mental reservation whatever, I can say that the 1966 CROWN & SCEPTRE staff are the most amiable staff I have ever encountered. The particular problems of the rapid growth of San Marcos means that we have been compelled to publish a three-hundred page book. The necessity of size did not prevent our fine staff from publishing twenty-eight pages of color, heavier paper, a more durable cover design, additional candid, a section of student artwork, the largest sports section in the tri-county area, and complete retakes of all the faculty. The pictures in this annual show a student awareness of the beauty of the greater Santa Barbara area. Congratulations to Kris Smith, the leader of the amiable ones.

PETE DETWILER, Business Manager

The duties of Pete Detwiler as Business Manager of the 1966 CROWN & SCEPTRE took him beyond that of arranging a budget. Pete sold hundreds of dollars worth of advertising, arranged the advertising campaign, and promoted yearbook sales.

The 1966 CROWN & SCEPTRE includes a new feature, edited by Pam Clare. In addition to sketching most of the drawings found in this annual, Pam selected pictures and designed the pages found in the Student Talent artwork section.

IMPACT

The Impact staff was again this year a dedicated group of talented, original, and highly individualistic students determined to produce a first-class literary magazine. From the large volume of material contributed, the best short stories, poems, and illustrations were selected and edited for publication. The final product was a permanent record of the finest creative writing from San Marcos in 1965-66.

Steve Dunlap

CALIFORNIA SCHOLARSHIP FEDERATION

The California Scholarship Federation is a school organization dedicated to academic achievement. Membership in this honor club can be earned with ten points on the semester report. This point total is based on three points for an "A" and one point for a "B". Students who earn membership four semesters, become life membership sealbearers. These students are honored at graduation and at a school assembly, and they become eligible for various scholarships.

The 1965-1966 officers of the California Scholarship Federation were: (left to right): Lois Prestaf, Senior Representative; Dan Taylor, Vice President; Barbara Jeffers, Junior Representative; Jon Dingeldein, Treasurer; Debby Ginberg, Secretary; and Scott Morter, President.

Many students achieved the distinction of becoming members of the California Scholarship Federation this year. Congratulations!

SAN MARCOS WRITES

Student thinking and writing are the focus of the San Marcos Writes radio productions, broadcasted weekly on KDB AM/FM. Each show is written and produced by students in Mr. Dawson's ninth period class.

Subjects incorporated philosophical and literary ideas of well known authors with those of students here at San Marcos.

Right to Left: Cindy Foster, Glenn Shaw, and Elizabeth Allen, are shown in attempt to edit and untangle one of the radio programs.

Members of San Marcos Writes staff were, left to right: Cathy Wyatt, Marjorie Shell, Elizabeth Allen, Mr. Rodger Dawson, Cynthia Foster, Glenn Shaw, Linda Bahlman, Max Kirk, and Darlene Craviotto. Not pictured: Deborah Caplow, Nancy Fuller, Don Jack, and Christine Marx.

CAMPUS CARE COMMITTEE

Members of the Campus Care Committee are, from left to right: Carolyn Yorty, Chairman; Peggy Oates, Pat Phinney, Sharon Fay and Mike Burkhardt.

SENIOR MEN'S SERVICE ORGANIZATION

The newest service organization on campus, Senior Men's Service, is concerned with promoting the highest of standards at San Marcos. The members perform the much needed service of maintaining order in the various hallways while classes are in session. The organization acts under the direction of Mr. Sheldon Hentschke.

The Senior Men's Service includes, left to right: Steve Curran, Don Bratt, Walt Rehm, Dave Hjorth, Mark Baldrige, Gary Varbel, Chuck Rhein-schmidt, Larry Morez, Brian Forrer, Gary Gamo, Ted Hall, Mike Swander, Philip Rowland, Gary Gillingham, and Mr. Sheldon Hentschke, advisor.

The Work Education and Experience program at San Marcos provides good background for the student employee. Through Mr. Rogers and Mr. Rosales in the Work Education office, students are able to find part-time and vocation work, either with or without pay. Students in work education get credits and grades for their work. This program is helpful for the student who wants to try his hand at a profession before going into it.

Members of the Key Club are, Front Row: Jim Stepowski, Brian Forrer, Scott Morter, Mr. Lopez, advisor. Row Two: Neal Skillman, Bob Jackson, Keith De Conde, Pete Detwiler, Pat Plamondon, Chuck Blanchard, Ken Weslander, Charles Eckberg. Officers of the Key Club were: Jim Stepkowski, Treasurer; Ken Preston, Vice President; Fred Banks, Junior Representative; Alan Stephenson, President; Sean Fay, Senior Representative; and Pete Detwiler, Secretary.

In its seventh year at San Marcos, The Key Club, advised by Mr. Guillermo Lopez, completed many services to aid the Stadium Fund and to improve the school. The Key Club donated \$1,000 to the student fund for the stadium. The money for this was earned by the club through various activities which included: Curb house number painting, sale of Fiesta programs during Fiesta, football program sales at all SM home games, and the Harvest Moon Ball Dance. Other activities included trash-can painting, Alpha School clean-up, conventions and an annual spring project. They also participated in the Council of Christmas Cheer.

Sophomore members inducted into the Key Club Feb. 17, were Steve Caminitti, Mike Young, Chuck Klingler, Don Sexton, and Errol Jahnke. Also inducted was George Farina.

The Key Club worked hard this year to fulfill their pledge of \$1000.00 to the stadium fund. Presenting the check to Mr. Clayton Clark are President Alan Stephenson and Advisor Mr. Guillermo Lopez.

TRI-HI-Y COUNCIL

The San Marcos Tri-Hi-Y Council of the Santa Barbara Y.M.C.A., though not an ASB organization, contributes much to San Marcos in the way of service and activities. The Council participated in the candy drive for the Stadium Fund, and contributed more money than any other single campus group. It sponsored many dances throughout the year, all of which were big successes, and volunteered for many service projects for San Marcos. The Tri-Hi-Y council and clubs are an integral and beneficial part of campus life.

Row one: Karen Young, Peggy Oates, Marilyn Glick, Sharyl Parker, Claudia Hawkins, JoAnn Garofolo, Shelley Gault. One of the most important service organizations at San Marcos is the Usherettes. In addition to ushering at football and basketball games, assemblies, school performances, and stadium benefits, this year's Usherettes cleaned La Playa Stadium after the Santa Maria football game, sold candy bars for the stadium fund, presented the "Sweetheart Swing" Valentine dance, served at Sports Awards banquets, and had several parties. To raise funds for their activities, the girls industrially worked at a Saturday car wash.

Under the leadership of Karen Saad and the guidance of Miss Fritsen, the Usherettes have had another successful year providing services to San Marcos and the community.

Usherettes officers this year were: Jane Leonard—Treasurer, Dottie Iverson—Secretary, Laurie Fitch—Vice-President.

VARSITY CLUB

Lending their service during school and after-school functions, the Varsity Club, under the astute and able leadership of President Greg Woolsey and advisor Coach Prigge, proved itself to be worthy of praise on behalf of the student body.

The club is open to anyone earning a varsity letter, regardless of the sport. This attitude encourages inter-sport spirit and respect. The Varsity Club took care of the ticket sales and soft drink sales at the basketball games, and held an awards barbeque at the end of the year. The Varsity Club is indeed a worthwhile and honorable institution at San Marcos.

Varsity Club officers were: Greg Woolsey, President; Charles Eckberg, Treasurer; Sean Fay, Vice-President and Randy Roberts, Sergeant-at-Arms.

LEAGUE

Once again the Girls' League has come through with another exciting and successful year. Without the leadership of its cabinet, the guidance and encouragement of Mrs. Vann, advisor, the cooperative efforts of the representatives, and the support of the students this success would not have been possible.

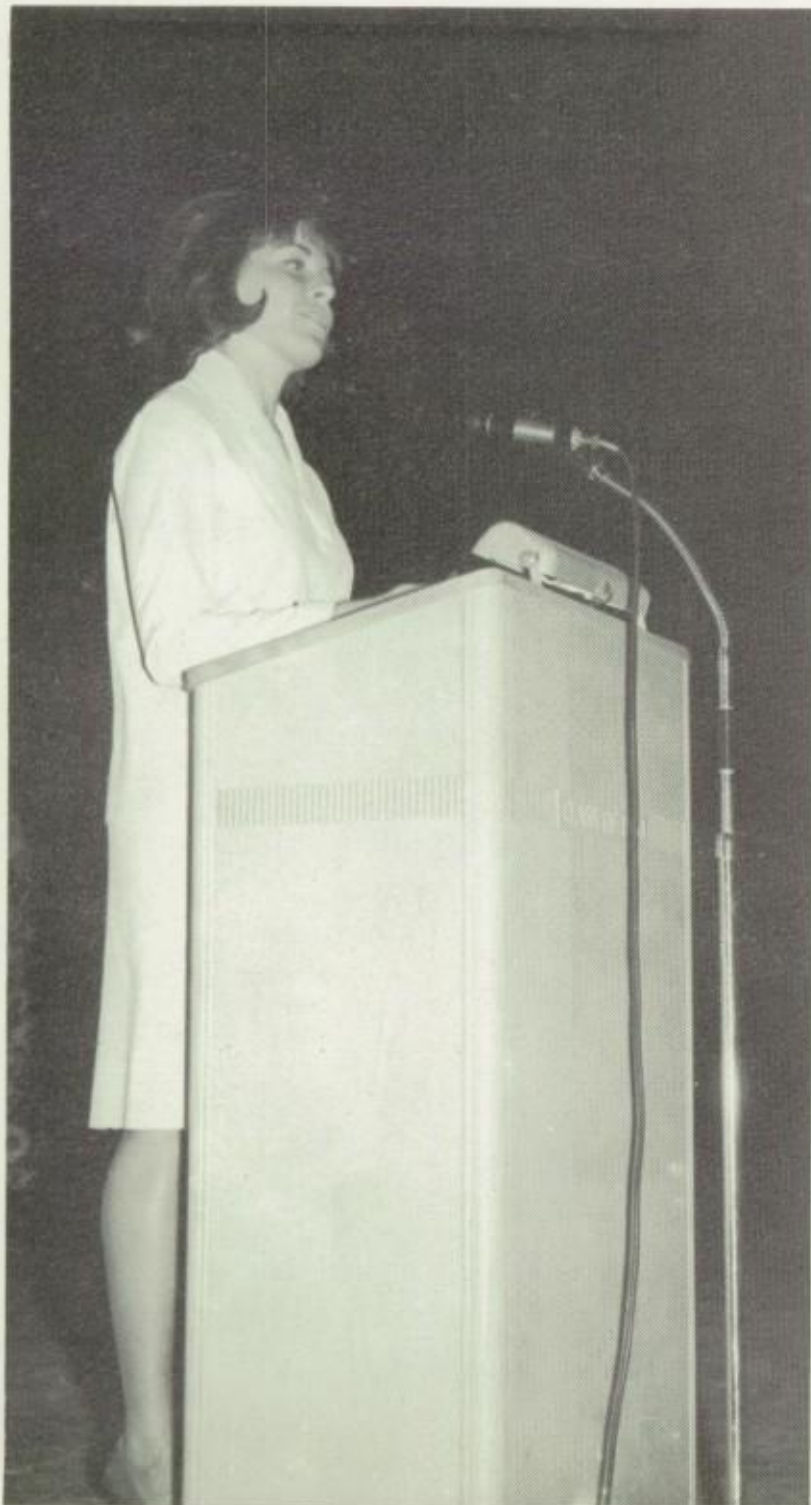

Among this year's activities were the traditional Father-Daughter Banquet, the Mardi Gras Dance, the unforgettable Dress Regulations Assembly, as well as a host of other assemblies, projects, and fashion shows.

The work was hard and the rewards were many for the Girls' League and students, as it will continue to be for this worthwhile organization.

Among models for the Dress Regulations Fashion Show were: "Baby's in Black," "Honolulu Lulu," and "The Little Old Lady from Pasadena."

FASHION SHOW

“MAKE DEMOCRACY WORK”

One of the most rewarding experiences open to all Junior Statesmen was the JSA Summer School. Jan Gronvold and Linda Ricketts represented San Marcos last Summer.

The events that made the year worth while were the weekly chapter meetings.

San Marcos Chapter was fortunate to have four State and Regional Officers in the chapter this year. They were, (left to right): Terry Harris, Mayor of the Channel Islands Region; Linda Ricketts, clerk of the Region; Ruth Cronkite, State Legislative Council Member; and Neal Skillman, State Secretary of the Interior.

An activity that gained much JSA support was the Stadium Drive Candy Sale.

The Future Business Leaders are a group of energetic students interested in business. They have sold San Marcos "Royal" pens and have heard many speakers. They attended a Future Business Leaders convention in Sacramento this spring.

SAILING CLUB

During its first year in existence, the San Marcos Sailing Club has proven itself to be one of the most active and successful clubs on campus. The main purpose of the Sailing Club is to further understanding and promotion of sailing and sailing theory in the school and in the community.

Among its many activities for 1965-66 was sponsoring an assembly for the student body. The main event of the year was a planned trip to the islands. More important was the fun of sailing and the competition with other local schools in Santa Barbara.

Much of the Sailing Club's success can be attributed to the hard work and enthusiasm of its members such as Leo Belden and Bob Jackson and officers (pictured above), Anne Spencer, President; Steve Curran, Vice President; Carla Brasseur, Secretary; Patty Haskell, Treasurer; and Rusty Peterson, Program Chairman. "Skipper" of this energetic group is Mr. Roger Dawson.

Active members, left to right are: Pat Nielson, Kelly Pritchard, Anne Spencer, Leo Belden, Carla Brasseur, Larry Kunkel, Tim Erickson, Gretchen Siemens, Frank Baker, Arria Brasseur, Sherrie Ecker, Sherry Hale, Karl Lindfors. Not pictured: Bill Mackins, Tobin Campbell, Dave Reavill, Claude Anderson, Dave Miller, Melinda Medley, and Chris Ordnung.

The purpose of the German Club is to explore the many interesting aspects of the German culture, and to learn about the people of the country. This popular organization, under the supervision of Mrs. Hance, sponsored many successful activities. Among these were the Oktoberfest, featuring authentic folk dances and music, and the "Weihnachtsfest," complete with German Christmas carols and stories. Another highlight was the singing of German Christmas carols in the homes of German-born families.

This year the club was fortunate in having exchange student Richard Hoffman as a member, telling us about the customs of his native Austria. The club also earned money for the Direct Relief Fund.

Gathered around the traditional Advent wreath are: Pam Berry, Erika Esau, Raymie Woolsey, Bruce Clark and Louise Penner.

An organization which contributed greatly to San Marcos this year was the Varsity Basketball Squad. Through extensive practice, hard work, endurance and drive, the Royal Cagers were able to win the majority of their games.

In addition to emerging victorious, however, the Team brought to San Marcos a high degree of pride and spirit. Record-breaking crowds filled the gym to capacity, fans cheered and everyone was behind our team all the way. We were proud of THE organization. We were proud to be Royals.

In most high school yearbooks, there is a tendency to emphasize student participation in extracurricular activities such as sports and clubs. This type of yearbook creates only a two-dimensional picture of the students, especially of the students at San Marcos.

In order to add a third dimension to the student image, the Crown and Sceptre is devoting this special section to student art. The work on the following pages do not represent only the off-in-the-clouds type of student, but many who are recognized for their active participation and leadership on campus. Art is not just a source of fun, but a medium of expression which affords the student an opportunity to display his personal insight and maturity.

1966 CROWN & SCEPTRE QUEEN

Miss Jo Ann Garofalo

MISS JO ANN GAROFALO has been selected as the 1966 CROWN & SCEPTRE Queen. Jo, as she is known to many, was born in Pittsburgh, Pennsylvania, and before coming to San Marcos, attended Peabody Elementary and La Colina Junior High Schools.

An active Royal, Jo Ann has participated in the Hospitality, Program and Social Committees, American Field Service Club, the Usherettes, and Class of 1966 committees. In addition to being a diligent student, she has put in many extra hours working on extra-curricular projects. Jo Ann is a loyal Royal roter, and can be seen cheering at many of our athletic contests.

Jo Ann serves as a Candy Striper at Cottage Hospital, and also enjoys sewing, knitting, watching television, and listening to records. After graduation, she plans to enter Cal Poly at San Luis Obispo, and possibly attending a nursing school.

To Queen Jo Ann, the CROWN & SCEPTRE staff extends its congratulations and best wishes for the future.

Susie,
I always
hate to sign
year books.
I had that we
didn't get to know
each other better
from this summer.
Love,
Margie Draper

Susie,
Since my future
is at stake, I'll
write something nice
I had fun in everything
you do. Say hi to
Randy and tell I
said to enjoy himself
in the future.
Lis

Just
family sweet
person, who I'll
know go through in life,
a long way in your future
lots of luck in your future
to come (Darius)
